

## SENATE TO GET NEW OPA BILL FRIDAY

STARR, LEVIN  
SELECTED AS  
U. S. JUDGESSUCCEED RAYMOND  
AND MOINET IN  
MICHIGAN

Washington, July 3 (AP)—Justice Raymond W. Starr of the Michigan supreme court and Theodore Levin, a Detroit attorney, were nominated today by President Truman to fill vacant federal judgeships in Michigan.

Justice Starr was nominated to succeed the late Judge Fred M. Raymond for western Michigan. Levin was nominated to succeed Judge Edward J. Moinet, retired, in the eastern district.

Advised of the nomination in Lansing, Starr said he was "very appreciative" and that he would accept it. He said he would devote "my full time and my best efforts to the work before me."

Starr's elevation will leave a vacancy on the state supreme court bench to be filled through an appointment by Gov. Harry F. Kelly.

The nomination of Starr and Levin ended months of speculation concerning the judgeship selections. The probable appointments had been a source of controversy between party officers and the Michigan congressional delegation.

Rep. Hook, only Democratic congressman from the western district, has said he will oppose Starr whose term on the supreme court has several years to run.

Hook and Lesinski have taken the position in letters to President Truman and party leaders that Starr's appointment would enable the Republican state administration to fill his place on the state bench. Hook, a candidate himself for the judgeship last February, has supported Joseph M. Donnelly, Houghton attorney.

Lesinski said he and other Democrats in the congressional delegation would back Hook's choice.

## NO POLITICS

Lansing, July 3 (AP)—Justice Raymond W. Starr of the state supreme court threw cold water today on suggestions his nomination by President Truman to be federal district judge for western Michigan was timed to embarrass the Republicans.

G. O. P. leaders thought they sensed a Democratic plot to leave them without a nominee to fill the vacancy left in the state court by

Russia Abandons  
Her Demand For  
Two-Thirds Rule

New York, July 3 (AP)—Soviet Russia suddenly abandoned today her fight for a two-thirds majority rule in the United Nations Atomic Energy Commission and the commission unanimously decided that a simple majority of seven members would govern all its decisions.

Meeting for 39 minutes in a hotel ballroom, the commission adopted all rules of procedure presented by a committee of experts and then adjourned without a date for its next meeting.

Andrei A. Gromyko of Russia showed a conciliatory spirit at the outset when he called for the commission to adopt a rule providing for a two-thirds vote—eight members of the commission of 12 nations—on matters of substance and a majority of seven on matters of procedure.

Previously his representative on the committee of experts had held out for a two-thirds vote on all questions.

HEIRENS HELD  
TO GRAND JURY

Bail Fixed At \$270,000  
On 25 Criminal  
Charges

Chicago, July 3 (AP)—William Heirens, 17-year-old University of Chicago student whose finger and palm prints, prosecutors said, are identical to those on the Suzanne Degnan kidnap note, was held for the grand jury under \$270,000 bond today on 25 charges of assault or burglary.

Although the action assured officials of further custody of the youth, pending further investigation of the Degnan case, they are prevented under the law from questioning him further without his consent.

Evidence on the 25 charges will be placed before a grand jury Tuesday and Wednesday, Assistant State's Attorney Richard B. Austin said.

Heirens was set at \$15,000 today on each of four charges of assault to murder and at \$10,000 of 21 burglary charges. Counsel said previously it would be made to provide None of the charges involved Degnan case.

Heirens collapsed while being photographed for jail records shortly after his court appearance and physicians attributed his illness to "excitement."

Chief of Detectives Walter Storms said that the Chicago police crime laboratory was studying stains resembling blood stains found on handkerchiefs in Heirens' room.

Storms said also that the laboratory was studying two hairs found on the Degnan girl's torso which, he said, had been determined by the FBI to be animal hairs, possibly from an overcoat.

The youth's parents, Mr. and Mrs. George Heirens, visited him in the Cook county jail hospital again today and told him "we are still with you."

Chicago police said today they had received an unsigned note which said:

"Release Heirens at once or I will strike again. Heirens is innocent. This time it will be a girl 16 years old."

Frisky Painters  
Painted Shrubbery

Blissfield, Mich., July 3 (AP)—When Valentine Rapach contracted with two painters to redecorate his home, he didn't count on such enthusiasm.

Rapach told police that when he arrived home today he found the painters had painted not only the house and blinds but also all the shrubbery around the dwelling.

Police booked the pair on drunkenness charges.

Chaplin Appeals  
Paternity Ruling

Los Angeles, July 3 (AP)—Comedian Charles Chaplin petitioned the state supreme court today to review a judgment that he is the father of Carol Ann Berry, 2½-year-old daughter of his former protegee, Joan Berry.

Chaplin appealed from a finding of the state court of appeal which upheld a superior court judgment in favor of the child.

Earl McFarland  
Denied Clemency

Washington, July 3 (AP)—The justice department announced today that President Truman had declined to extend clemency to Earl McFarland, sentenced to be electrocuted for the rape and slaying of Dorothy Berrum, 18, here in 1944.

RETAIL FOOD  
PRICES RISE  
DESPITE PLEAPLEA BY SECRETARY  
ANDERSON MADE  
TO DAIRYMEN

(By The Associated Press)

Meat, milk and butter prices crept upward in the nation's retail stores yesterday despite a temporary halt in the rising livestock market and a plea from Secretary of Agriculture Anderson to defer increases in dairy products until the question of future price control and subsidies is settled.

The House-approved resolution for a 20-day extension of OPA finally reached the Senate Banking Committee amid growing convictions that price control would be restored, at least temporarily. This trend was evident in Wall Street, where traders poked through the slowest session since last August, and also in the grain and livestock markets.

Cattle At \$22.50  
In Chicago, cattle prices reached the record \$22.50 top established Tuesday and hog prices stopped \$1 short of the \$18.50 peak recorded Monday, their best price since 1919.

Although stockyards throughout the country generally were jammed with unusually large shipments, major packers stuck to the sidelines, content to wait for a final decision on disposition of OPA.

Butter reappeared on the New York City and Boston wholesale markets for the first time since OPA expired but loss of the 15-cent-a-pound subsidy was reflected in price hikes hovering between 13 and 15 cents a pound.

Milk went up two and three cents a quart in Massachusetts, Maine, New Hampshire and in parts of New York State. Anderson told dairymen he hoped "congressional action, if taken, will include subsidy provisions designed to permit orderly liquidation of subsidies without

TRUMAN SIGNS  
HOBBS MEASURE

Makes Unions Subject  
To Anti-Racketeering Law

Washington, July 3 (AP)—President Truman today signed into law the Hobbs Bill making unions subject to the National Anti-Racketeering Law.

In vetoing the Case Bill the president approved the principle of the Hobbs clauses it contained but expressed fear that they might interfere with labor's right to strike and to picket peacefully.

The new Hobbs law forbids anyone to obtain money or other valuables "by wrongful use of actual or threatened force, violence, or fear, or under color of official right."

It carries maximum penalties of 20 years imprisonment or \$10,000 fine, or both.

Bitterly opposed by labor groups, it had been offered annually by Rep. Hobbs (D-La.) since 1942.

The bill was designed to overcome a 1942 supreme court decision holding that labor unions were exempt from the anti-racketeering law.

Manuel Quezon's  
Body Going Home

San Diego, Calif., July 3 (AP)—The Aircraft Carrier USS Princeton started across the Pacific today with the body of Manuel Quezon as the Philippine Islands, which he served as commonwealth president, celebrated their independence day as a republic.

Associate Justice Frank Murphy of the U. S. supreme court headed an escort of honor.

New York, July 3 (AP)—Police of the Coney Island precinct said that eight persons were injured tonight when a roller plane ride collapsed at the Brooklyn seashore resort.

Governor Kelly  
Given \$10 For  
Conscience Fund

Lansing, July 3 (AP)—Excessive bounties he collected as a boy-hunter in Michigan 24 years ago bothered Chester L. Mackewicz of East Earl (Route 1), Pa.

He sent Governor Kelly \$10, asking "your forgiveness for my wickedness."

"Mr. Kelly," Mackewicz said in an accompanying letter, "I have a confession to make. While I lived in Michigan I used to collect bounty for collecting rats, sparrows, crows and other game. I remember how I cheated the county agent and brought mice to the place where we used to collect bounties and I said they were young rats."

"I have heard the gospel preached and it has changed my whole life and I want to make restitution for my wrongs that I have committed," he continued. "I ask the Lord to have mercy on me and I know he has forgiven me. I also ask your forgiveness for my wickedness I committed by collecting bounty to which I had no right to."

Mackewicz said he lived in Moddersville, Missaukee county, 24 years ago and at the age of 12 moved to Pennsylvania.

The governor said the \$10 will be turned over to the county.

LIVESTOCK IS  
MOVING AGAIN

But Prices On Cattle  
And Hogs Remain  
Near Peak

Chicago, July 3 (AP)—Although livestock supplies continued at the highest levels in more than five months today, prices remained in the vicinity of the week's tops and some even advanced at markets throughout the country.

Hogs were 50 to 75 cents a hundred pounds higher than yesterday at St. Paul, Minn.; Omaha, Neb., and Chicago. The St. Louis, Mo., market established a new high of \$22.00 for strictly choice steers. At Jersey City, N. J., some cattle grades brought as much as \$1.00 and \$2.00 above Monday's peaks, and vealers and calves were as much as \$3.00 and \$4.00 higher. Steers at Chicago continued at their all-time high of \$22.50, while heifers reached a new mark of \$21.50.

Such high markets over the country were reached by mid-morning, however, and later receded under the stress of Washington reports that price controls might soon be restored by Congress.

In consequence, some 4,000 head of hogs at Chicago, which had been held back when the market reached the day's top of \$17.50 a hundredweight in hopes of even higher prices, remained unsold.

Receipts at Chicago were at the highest for a Wednesday in both cattle and hogs since February, although the latter total was somewhat less than yesterday's.

The totals were 14,000 salable hogs and 12,000 cattle, with an additional 3,000 hogs and 300 cattle coming in on direct consignment to packinghouses.

President Truman  
At "Shangri-La"

Thurmont, Md., July 3 (AP)—President Truman arrived at "Shangri-La" rustic Catoctin Mountain retreat today with Mrs. Truman from Washington to spend a four-day holiday.

The two drove to the presidential retreat four miles northwest of here, accompanied only by a small detachment of secret service men.

BRT Calls Strike  
On Illinois Central

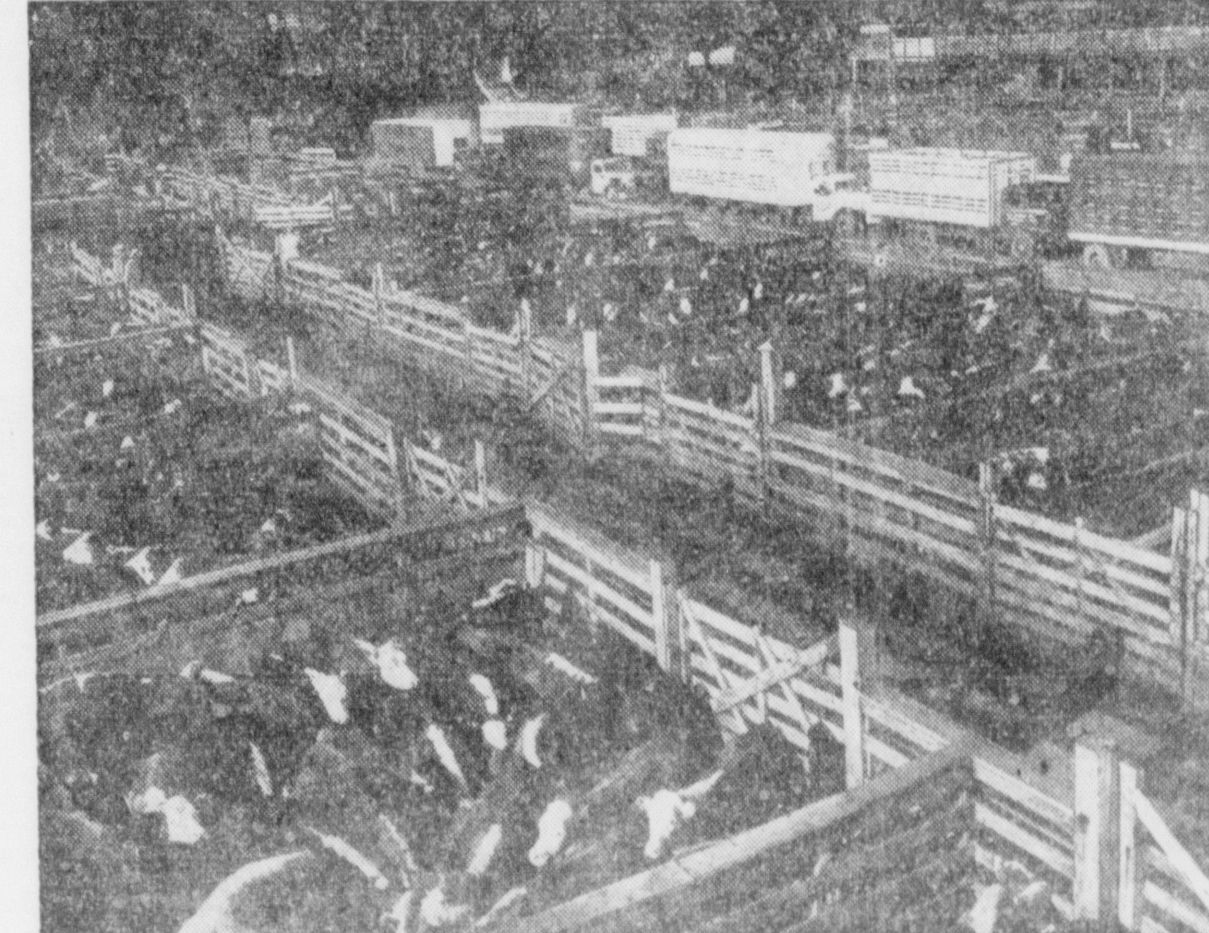

Chicago, July 3 (AP)—The Brotherhood of Railroad Trainmen today called a strike at 10 a. m. July 26 against the Illinois Central System—only class I railroad in the country exempted from the nationwide railroad strike in May, because it was then under government control.

Philippines Begin Era  
Of Independence In An  
Uneasy World: MacArthur

Manila, Thursday, July 4 (AP)—The Republic of the Philippines was born today amid the rubble of war, cradled by the strong hand of Uncle Sam.

Happy, excited thousands attended the historic ceremony which cut the islands free from the United States and gave Filipinos their long desired freedom.

## FLAGS CHANGED

Manila, Thursday, July 4 (AP)—The Stars and Stripes, which floated over the Philippines for 48 years except for war's disastrous interruption, was lowered proudly today by U. S. Commissioner Paul V. McNutt—symbolizing the birth of the new Philippines republic. Pres. Manuel A. Roxas sent the flag of the republic aloft in its place, in a colorful rain-splashed ceremony before a vast, happy crowd estimated by constabulary at 600,000.

Manuel A. Roxas was sworn in as president and Elpidio Quirino as vice president to guide the country in its first years of independence.

President Truman pledged in Washington that the United States will assist the new Philippines republic "in every way possible."

General of the Army Douglas MacArthur, who led the liberation of the islands from the Japanese, described the infant republic as coming into being amidst issues "which have never weighed more

BRITISH LOAN  
GETS SETBACK

75 Legislators Call  
For War Veterans  
Aid First

Washington, July 3 (AP)—Opposition to the proposed \$3,750,000,000 loan to Britain took organized form in the House today.

Seventy-five of the 433 House members issued a statement calling on Congress to look after the loan bill as "veteran's" and before making any huge foreign loans.

The 75 said they would "dedicate" the day debate begins on the loan bill as "veteran's" and old age pension day.

Nearly all the group—which included 74 Republicans and one Progressive from 22 states—have previously voiced opposition to the proposed grant.

Today's statement was made public by Rep. Landis (R-Ind.). It asserted:

"We the undersigned dedicate the day, if and when, the British loan comes on the floor of the House as Veteran's and Old Age Pension Day. We believe our veterans and old folk should be adequately taken care of before we make any gigantic loans or gifts to foreign countries."

Across the bottom of the statement was printed the slogan "There Will Always Be A U.S.A. If We Don't Give It Away."

Debate on the loan bill now is scheduled to begin Monday, with a vote expected by next weekend.

WARM FOURTH  
IS PREDICTED

Postwar Auto Traffic  
Record May Be  
Set Today

(By The Associated Press)  
A warm and sunny Fourth of July was forecast for most of the nation today and the National Safety Council warned the "ideal" weather would favor a higher accident death toll.

With favorable weather, the four day holiday may set a post-war record for automobile travel. Other millions will go to beaches and pools. The council estimated a total of 1,300 violent deaths from automobile accidents, drownings, fireworks mishaps and other causes would occur during the four-day period.

Pleasant sunny weather with temperatures at normal or slightly below were predicted for most sections of the country. Thunderstorms were in store for some areas, but they were expected to be widely scattered and of brief duration.

Says Hitler And  
Eva Braun Died

Nuernberg, Germany, July 3 (AP)—Adolf Hitler's chauffeur told the international tribunal today that he saw the dead bodies of Hitler and Eva Braun in the Reichsbancellery and watched Martin Bormann collapse, apparently dead, from a bazooka blast in the streets of Berlin.

The testimony was given by Erich Kempka, who managed to escape besieged Berlin and was captured by American forces at Berchtesgaden.

He was described by American Prosecutor Thomas Dodd as the only man able to say that both Hitler and Bormann, the fuhrer's missing aide who is on trial in Absentia, are dead.

Bormann, Kempka said, was blasted by a bazooka shell with such force that it was impossible for him to be alive.

CHRYSLER WAR  
PLANT LEASED

Preston Tucker Plans  
To Build New Auto  
At Chicago

Washington, July 3 (AP)—The War Assets Corporation announced tonight that it has leased the \$170,000,000 Chrysler war plant in Chicago to the Tucker Corporation, also of Chicago, for five years.

The Tucker firm, headed by Preston Tucker, has said that it intends to build automobiles and will employ 35,000 persons. The plant manufactured aircraft during the war.

## BUILT RACING CARS

Chicago, July 3 (AP)—The Tucker Corporation, lessors of the government-owned \$170,000,000 Chrysler war plant here, is headed by Preston Tucker, Detroit and Ypsilanti, Mich., tool manufacturer and veteran race car builder.

Tucker announced plans last February to produce the new Tucker Torpedo, ultra-modern passenger car, within six months after occupation of the giant plant in the southwest section of the city.

He said then the project might include the centralized servicing of transport plane engines for all airlines entering Chicago.

Tucker said the new car, to sell in the \$1,000-\$1,300, price class would be light in weight, with a 150-horsepower engine suspended sideways in the rear. Other features include individual wheel suspension, direct drive and high vision.

Its light metal construction will save nearly 2,000 pounds of weight as compared with pre-war models, Tucker said.

Pravda Criticizes  
Atom Bomb Test

Moscow, July 3 (AP)—The atom bomb test at Bikini "basically undermined confidence in the seriousness of American talks about atomic disarmament," bearing witness to work for improving rather than destroying the weapon, Pravda Commentator Boris Izakov declared today.

He said the test "did not bring about the end of the world, but it blew up something more essential than a pair of old ships. Why, really did the expensive and troublesome experiments at Bikini Atoll have to be conducted if the United States seriously is going to turn away from the atomic weapon?"

"The tests bore witness not about preparation for destroying this weapon, but on the contrary about work for its improvement."

The landlord gave the tenant the surprise of his life. He turned it down.

BANKING BODY  
TO CONTINUE  
WORK TODAYCOMMITTEE STUDIES  
SEN. BARKLEY'S  
SUBSTITUTE

Washington, July 3 (AP)—The Senate Banking Committee failed to agree on a new OPA bill tonight but Democratic Leader Barkley (Ky.) announced he expects to have one ready for the Senate floor by Friday.

The committee recessed after a four-hour session behind closed doors but will resume work tomorrow despite the July Fourth holiday.

Barkley proposed eliminating two Republican-sponsored pricing amendments from the OPA extension bill vetoed by President Truman, then sending it back to the White House.

When that plan met resistance Barkley countered with a proposed substitute for manufacturers' pricing amendments sponsored by Senator Taft (R-Ohio) and singled out for bitter criticism by Mr. Truman in his veto message.

The Barkley substitute still was under consideration when the committee recessed until tomorrow.

Barkley said that after a decision is reached on that proposal, he probably will offer a substitute for the other amendment criticized particularly by Mr. Truman—one by Senator Wherry (R-Neb.) setting out a price policy for wholesalers and retailers.

The Taft provision declared in substance that maximum prices applicable to producers, processors and manufacturers must reflect their prices during the first half of October, 1941, plus the weighted average increase in unit cost among typical members of the industry in question.

Pepper Demands Action  
The Barkley substitute differs in two major particulars: It makes the base period the calendar year 1940, and provides that the ceilings must provide "not less than the average dollar price of such commodity during the base period, plus the increase in cost of producing, manufacturing or processing the same accruing since the base period."

Thus, under Barkley's plan, the average price of the commodity among the producers, etc., would govern, instead of each man's base period price.

Barkley announced his expectations of having a bill Friday on the Senate floor after Senator Pepper (D-Fla.) called for action on the 20-day extension bill passed by the House.

At the outset of the banking committee session, Senator Capehart (R-Ind.), tried once again to gain committee approval of a resolution extending rent control alone for another year. He reported his motion was beaten on a straight party division with Republicans for it and Democrats against.

Pepper first read a list of price rises in food and various commodities and then assured that the Senate should quickly approve a stoppage extension and "quiet the fears of the people."

Barkley, who had been keeping members of the Senate Banking Committee in session throughout the afternoon, curtly replied that this was a question for the "banking committee to decide."

In any event, Barkley said the committee would have some kind of an OPA bill—either stopgap or long range—ready tonight or by

ADJOURN AUTO RACKET TRIAL

Hope To Complete Case When Hearing Is Resumed

Detroit, July 3 (P)—Government witnesses testified today that customers of a Cairo, Ill., auction lot paid two prices for a single automobile to defendants accused by OPA of taking part in "the nation's largest used car black market."

The trial of the seven defendants on conspiracy charges was adjourned until July 9 by Federal Judge Arthur A. Koscinski at the conclusion of today's testimony before an all-woman jury.

Assistant U. S. Attorney Joseph Murphy said he hopes to complete the government's case shortly after the hearing resumes.

On trial are Ben Fishel, 33, of Cairo; Noble Dick, 37, of Murray, Ky.; John D. Lovins, 35, and John C. A. Nelson, 45, of Paducah, Ky.; Henton Farley, 37, and Gordon Ivy, of Benton, Ky., and Edd West of Poplar Bluff, Mo.

Twenty-two other defendants have pleaded guilty to taking part in what OPA labelled a \$3,000,000 over-ceiling conspiracy.

Mrs. Jack Collins, 19, of Miller City, Ill., testified that, as a bookkeeper for Fishel's Cairo auto concern, she assisted buyers to make dual checks "lots of times."

One check was for the purchase of an actual automobile at ceiling price, she said, while the other was for the purchase of a car "that never existed."

Victory In Primary Amounts To Election For Senator Bilbo

(By The Associated Press) Theodore G. Bilbo, tub-thumping advocate of "white supremacy," apparently has won his fight for a third term in the U. S. Senate.

To avoid a run-off in the Mississippi primary, Bilbo needed more votes than all his Democratic opponents combined.

Wednesday's counting indicates that he got them.

The score, with half a hundred precincts missing: Bilbo 98,395, Ross Collins 18,590, Tom Q. Ellis 47,288, Frank Harper 13,977 and Nelson T. Levings 15,333.

This left Bilbo with a comfortable majority of 3,787.

Winning the Democratic primary in Mississippi is the equivalent of winning the election.

A demand that he be disqualified from serving in the Senate was made by Clark Foreman, president of the Southern Conference for Human Welfare to Senator Johnson (D-Colo.), acting chairman of the Senate elections committee.

Another white supremacy advocate, Rep. John Rankin, dean of the Mississippi delegation, also won renomination, but failed, by 33 votes, to carry his home county.

But he scored high elsewhere in his district to pile up 13,327 votes to 10,019 for former Circuit Judge Claude E. Clayton and 1,583 for Rev. Charles G. Hamilton, an Episcopal rector.

MSC May Close To Vets After Aug. 1; Housing Shortage

East Lansing—(P)—The housing shortage may force Michigan State College to close admittance to veterans for the fall term after August 1, president John A. Hannah indicated today.

Applications of Michigan veterans will be accepted until the end of July when college officials will tabulate the prospective fall enrollment to determine if the housing available leaves any openings for additional students, Hannah said. An enrollment of more than 10,000 is expected for next year.

Because all dormitories are filled to capacity, the college is accepting no new freshmen women except those who can find rooms in private homes in East Lansing. However, one new women's dormitory is expected to be completed by Jan. 1, 1947 to provide further housing for women.

The new Snyder-Phillips hall which will have room for 1,320 men is expected to be ready for use by Jan. 1, 1947.

CIO Will Stage Inflation Protest

Detroit, July 3 (P)—Walter P. Reuther, president of the CIO United Auto Workers, today called on the UAW's 900 locals to "begin arrangements with other groups in your communities for demonstrations in protest against inflation" on Tuesday, July 16.

Reuther said time and places of the demonstrations will be settled locally and urged the UAW to cooperate with veterans' organizations, church groups, consumer groups and farm groups in staging the meetings.

Caution Urged In Celebrating Fourth

Motorists, boaters and swimmers yesterday were cautioned by Sheriff William E. Miron to be careful during the Fourth of July holiday so they may avoid accidents that may endanger their lives.

The sheriff directed attention of motorists to the condition of their cars and tires, most of which are old and may cause serious accidents if operated at high speeds.

Besides the traffic hazard, there is also the danger of swimming in unfamiliar waters, and in boating when proper safeguards are not taken.

STARR, LEVIN SELECTED AS U. S. JUDGES

Starr's appointment. They pointed out that if Starr should resign as state justice Saturday morning the Republican state convention, which ends Friday, would be blocked from nominating a candidate for his job, while the Democrats, meeting later Saturday, could fill the nomination and be certain of electing at least one judge to the bench in November.

Attorney General John R. Dethmers declared there was no legal route by which the Republicans can fill the nomination once their convention has adjourned.

Starr said he would not resign until his federal appointment is confirmed by the U. S. Senate and he doubted whether that would come for several weeks.

Anyway, he said, "I have no intention of endeavoring to take advantage of anybody by sharp practices."

Wyatt Says AFL To Push Housing

Washington, July 3 (P)—Housing expediter Wilson Wyatt said today the American Federation of Labor has agreed to "use every means within its power" to prevent the "stoppage of work on any housing construction."

Wyatt announced the signing of an agreement to this effect by chiefs of the AFL building and construction trades department.

Similar negotiations are under way with the CIO, the housing chief told reporters, to cover workers in the factories making building materials and supplies.

Marine Discharge Plan Is Announced

Washington, July 3 (P)—The Marine Corps announced today that men with 20 points and fathers with two or more dependent children will qualify for discharge on July 15.

Effective August 1, men with 24 months of active service, fathers with one dependent child, regardless of length of service, will qualify for discharge.

The length of service qualification will drop to 18 months on September 1.

Anti-Russia Aid Provision Rapped

Washington, July 3 (P)—Assistant Secretary of State William L. Clayton tonight urged the Senate to strike from a pending UNRRA appropriation bill a provision which would deny aid to Russia if it censors news about UNRRA operations.

Clayton said that while Russia maintains its general censorship rules, "no attempt has in fact been made to restrain the free flow of information regarding the distribution of UNRRA supplies."

BOMB DAMAGE MUCH HEAVIER

Closer Look Reveals Warships Suffered Hard Blows

Aboard U. S. S. Appalachian, Thursday, July 4. (P)—The story of devastation wrought on ships by the atomic bomb at Bikini on Monday grew today as observers risked a closer look.

Warships which seemed, from a distance, to have been only blackened and scarred, were hard hit—even though the bomb was a "near miss."

After inspecting the battleships Nevada and Arkansas and the heavy cruiser Pensacola, Maj. Gen. Curtis E. Lemay and Brig. Gen. Roger M. Ramey agreed that damage was far greater than had been suspected after observation from the air.

Best estimates are that the five ships sunk and nine critically damaged among the 59 target ships hurt by the bomb were within an 800 yard radius of the explosion. The area of greatest devastation was elliptical in shape, extending northwest.

Friends Of Navy Hit Merger Plan

Washington, July 3 (P)—Navy-minded lawmakers outlined a two-pronged attack today upon the latest plan for unification of the land, sea and air forces into a single cabinet department.

First they directed acting Secretary of the Navy W. John Kennedy to prepare a written brief on Navy objections and carry this to the president's desk.

Second they opened a fight upon pending legislation, approved by the Senate Military Committee with backing of the war department, as not following President Truman's explicit recommendations for a compromise.

Senator Walsh (D-Mass), chairman of the Senate Naval Committee, outlined this strategy to reporters after a second consecutive day of closed-door testimony.

Search Is Begun For Maj. Jurika

Berkeley, Calif., July 3 (P)—Red Cross authorities today were asked to help find Maj. Thomas W. Jurika, his wife and stepson, who have not been heard from since June 10, when they wrote from Chateau Frontenac, Que., that they were proceeding by automobile to Chicago by way of Detroit.

Worried parents of Mrs. Jurika, Mr. and Mrs. Louis Schroeder of Berkeley, made the request. The Jurikas went east in May and the Major, a hero of the guerrilla fighting in the Philippines, was due back in San Francisco on June 15 for an important business conference.

His mother was beheaded by the Japanese while she was in the Philippines. His wife's father is still suffering from the effects of imprisonment in a Jap prison camp.

Bread Rationing Is Blamed On U. S.

London, July 3 (P)—Food Minister John Strachey today laid much of the responsibility for British bread rationing to the danger of American strikes and called on the United States to send 360,000 tons of wheat to the British zone of Germany or face "incalculable political and social consequences."

Britain, he told the House of Commons amid cheers from government supporters and heckling from the opposition, "has made a contribution second to none to relieve world famine" and can do no more.

111 File Suit For Locker Room Time

Albany, Ind., July 3 (P)—One hundred and eleven persons who were employed in the Indiana ordinance works at Charlestown during the war have filed suit in the New Albany division of the southern Indiana district court asking \$85,318 from the E. I. Du Pont De Nemours Co., which operated the plant.

The suits were filed under the fair labor standards act of 1938. They allege that the company failed to pay for time spent going from the locker rooms to the dressing rooms to don uniforms and for the time taken to reach the part of the plant in which they worked.

Sixty-five former employees filed a similar suit last February asking \$69,000.

shock to producers and consumers.

Rent Situation Mixed

Reports of higher meat prices came from many areas with the increase ranging from six or seven cents a pound to 20 cents a pound, the latter instance in shortage-ridden New York City.

The rent picture remained confusing with landlords commencing to rebel in some states where emergency controls had been applied.

In Wisconsin, Maine, New Hampshire, Connecticut and Utah authorities were drawing up state legislation to control rents unless Congress acts quickly.

The long Fourth-of-July weekend holiday brought a welcome lull to merchandisers, some of whom voluntarily chose to withhold their goods until the situation clarified.

General Foods Corporation said it was halting deliveries to wholesalers for the rest of the week. In some Metropolitan centers, department stores and others decided to remain closed until Monday.

House Action Will Increase Benefits For Railroad Men

Washington, July 3. (P)—An expansion of the railroad retirement and unemployment acts to increase the benefits and the number of employees covered was passed by the house today and sent to the senate.

The bill, passed by a roll call vote of 234 to 49, was the original measure introduced by Rep. Crosser (D-Ohio). Changes proposed by Republicans and a number of Democrats were defeated.

The amendments would have rewritten the Crosser bill into a more conservative measure backed by the house interstate and foreign commerce committee. This had been defeated on June 20 by a vote of 136 to 129. The vote against the amendment today was 180 to 108.

Both bills would provide additional benefits for the nation's 1,500,000 railroad employees subject to the act and their beneficiaries. But the Crosser measure goes farther in coverage and in amount of benefits.

Markets Steadied

Barkley said the committee was trying to draft a bill that "will have reasonable chance for approval by the executive department."

For his own opinion, Barkley said he regarded it better to try and write such a bill than take "two bites at the same cherry or apple."

Meanwhile the nation's wholesale markets steadied in a growing belief that Congress might revive the OPA with a price rollback to the June 30 ceilings. And Secretary of Agriculture Anderson asked the dairy industry to maintain former prices until Congress acts, notwithstanding the present lapse of subsidies.

Senator Taft (R-Ohio) issued a statement declaring that "Chester Bowles and others of the Truman administration are issuing hysterical statements to force a buying rush x x x as propaganda for their OPA position." He urged the public not to be "stampeded while the congress is attempting to straighten out the confusion into which President Truman's veto of the OPA bill has thrown the country."

Muskegon Plant To Be Enlarged

Muskegon, July 3 (P)—Continental Motors corporation, starting an expansion program in building and machinery installation, today let a contract for \$500,000 to the Alstrom Construction company here. Plans call for the building program to be completed by the end of the year.

Asks To Operate Radio At Muskegon

Washington, July 3 (P)—Roy C. N. Kelley, Grand Rapids, Mich., today asked the Federal Communications Commission for authority to operate a new radio station at Muskegon, Mich.

The application covered 250 watts, 1490 kilocycles and unlimited time.

Cherry Yields Not Too Heavy; Quality Of Fruit Is Good

Lansing, July 3. (P)—Yields were reported "not too heavy" but the quality of the fruit was good in southwestern Michigan as the cherry harvest got under way this week.

The state-federal crop reporting service, said the cherry crop was "good" in the northern part of the lower peninsula, which produces two-thirds of the state's cherries.

In the Upper Peninsula, the first cutting of hay which will begin after July 4, will be short and hay seedings are very spotty in the field.

Sonny Wisecarver Flees Youth Camp

Redding, Calif., July 3 (P)—Ellsworth (Sonny) Wisecarver, 16, whose amours with young mothers caused him to be committed to the California Youth Authority camp at nearby Whitmore, escaped early today with four other inmates.

Theo Sahlgren, camp superintendent, said the youths headed south on foot into brush country after attempting without success to start an automobile at a lumber camp.

Basil O'Connor Expects New War

New York, July 3. (P)—Basil O'Connor, chairman of the American Red Cross, said today he "frankly" expected another war.

O'Connor, who left LaGuardia Field by plane for London to attend a meeting of the League of Red Cross Societies at Oxford, said in answer to a question about whether he expected another war: "Frankly, yes. Everyone must plan on that basis. We can't be Utopian. We must sit down and plan as though there will be another war."

New Partnership

"Our two countries will be closely bound together for many years to come," President Truman said in his message to the Philippines. "We of the United States feel that we are merely entering into a new partnership with the Philippines—a partnership of two free and sovereign nations working

in harmony and understanding." The message, which was recorded and broadcast to the Philippine people by the state department's international broadcasting division, said in part:

"This is a proud day for our two countries. For the Philippines it marks the end of a centuries old struggle for freedom. For the United States it marks the end of a period of almost 50 years of co-operation with the Philippines looking toward independence.

"Now the new republic faces the problems of independent nationhood. These problems will be difficult and trying. The road to independence has not been an easy one. The road of independence will likewise not be an easy one. The mettle of a people, the mettle of a nation, are on trial before the world."

## PLAN PROGRAM OF FIREWORKS

Starts At 9:30 O'clock  
At Park; Concert At  
8:00 p. m.

A fireworks display at Ludington park tonight will feature Escanaba's Fourth of July observance.

The Escanaba municipal band will play a concert at the park starting at eight o'clock and the fireworks display will begin at 9:30 o'clock. The fireworks will last about an hour, George Grenholm, city recreation director, reported.

A good assortment of fireworks, including spectacular set pieces, rockets, bombs, shooting stars, etc., is included in the fireworks display.

The fireworks will be shot off from Sand Island, across the water from the park.

## Department Store Sales Increased

May retail trade in the Upper Peninsula as measured by department and general store sales reported to the Federal Reserve Bank of Minneapolis, showed an increase of 54 percent over May last year. Year-to-date figures for this area also registered a gain from the corresponding 1945 period climbing 33 percent above a year ago.

In Northern Wisconsin and Upper Peninsula Michigan sales volume for the month exceeds that of May 1945 by 36 percent. Cumulative sales amounted to 27 percent more than for the same 1945 period.

Figures gathered by the Reserve Bank from 409 stores in the Ninth Federal Reserve District followed the trend with May 1946, 43 percent above a year ago. Sales for the first five months of the year were 32 percent higher than the same months a year ago.

## 1,600 Served At USES Office

Approximately 1600 individuals took advantage of the local USES facilities during the month of June, James M. Damitz, local office manager reported today. Included in this total were 1300 veterans, 165 of whom made their initial visit to the office since their release from active duty. A total of 146 persons, 84 of whom were veterans, were referred from the office to discuss job opportunities with local employers. These referrals resulted in 56 placements, 31 of whom were veterans.

Due to a severe shortage of building materials, placements of veterans in the construction industry did not materialize as anticipated. Some work has been started, but has been hampered by

## J. E. Brown, C&NW Conductor, Retires

Retiring under the pension rules after 46 years of continuous employment with the Chicago & North Western Railway company, J. E. Brown of 212 South 11th street, has returned to his residence in Escanaba after living in Green Bay for the past six years. Mr. and Mrs. Brown moved from Green Bay to Escanaba Tuesday. At the time of his retirement Brown was conductor on passenger trains No. 161 and 162, which operate between Green Bay and Ishpeming. Brown made his last trip on June 27.

Entering service of the North Western on April 13, 1900, as a locomotive fireman, Brown transferred to brakeman in February of 1902. In the spring of 1910 he was promoted to freight conductor and later to passenger conductor, the position he held at the time of his retirement.

lack of material and equipment. There have been a few placements in resort areas for the summer months, but the bulk of available job openings remain in the woods industry. Foreign job openings exist for highly skilled workers, such as chemists and architects, and there are some available openings for grade and high school teachers in the Alaskan area. There are also openings throughout the state for workers of various skills, but due to the acute housing shortage, many are reluctant to leave their homes to accept such work.

Merger Proposed

CITIZENS of Bark River and Harris townships will hold a meeting at the Bark River community hall Monday evening to discuss a proposal for the consolidation of the two townships into a single school district.

Although Bark River is situated in Delta and Harris in Menominee counties, the two townships adjoin and possess ideal conditions for a merger of educational facilities. County lines present no barrier to the consolidation plan.

What is happening in the two townships is a striking demonstration of democracy in action. The people are getting together to discuss mutual problems with a view toward improving their American way of life. Another heart-warming aspect is that these people are sincerely interested in the welfare of their children, for they are meeting to determine whether it will be possible to increase the educational advantages of their boys and girls through a joining of the two school districts.

We are certain that the children of Bark River and Harris townships eventually receive greater educational benefits if a consolidation is effected. We know this because similar moves have rounded out the advantage of the school children in other communities. The two townships now have two high schools, but neither one is equipped and staffed to present as complete an educational program as that offered at Stephenson, for instance. Communities like Cooks, Rapid River and Rock are other examples of the benefits to be derived from the closing of one-room schools and the merger of districts to provide improved educational facilities.

Navies Aren't Doomed

NAVY Secretary Forrestal undoubtedly was correct in his opinion following the Bikini test that "there will still be navies in the future." The atomic bomb provides a new hazard to warfaring fleets but it would be foolhardy to believe that the day of the navy passed with the discovery of the atomic bomb.

The atomic tests are not designed to prove that naval vessels have no place in an atomic age, but rather to determine what methods of defense can be developed to protect warships against the deadly power of atomic energy.

The value of naval vessels in war has been proved time and time again through the ages. In the war recently concluded, naval vessels played a far greater part than in any previous war in world history. The American first line of defense today is the U. S. Navy, just as it has always been since the existence of our nation.

Subsidizing Brains for Security

THE Union of Soviet Socialist Republics has allotted more than one hundred million rubles to its scientists for the coming five years, on the theory that they should be exempted from all other state duties while working out scientific problems whose solution will be in everybody's interest.

Accordingly, USSR scientists have been made virtually a privileged class, with better salaries and better rations and living quarters than ever before. Their homes, for example, are now comparable to those occupied by Red Army generals and ranking party leaders.

Washington legislators, especially those who have visited Russia, say that some such step should be undertaken by our Government, to prevent the United States from being outstripped in scientific research. A measure has been drafted that would create a federally financed national research foundation to promote basic research and the development of scientific projects for both peace and defense.

During the last war America actually went backward in the development of young scientists. The men who should have been devoting the years to research were drafted into the ranks to a point where a serious shortage is developing in scientific pursuits.

The present bill is bi-partisan and it has the backing of many scientific groups. Under its terms the federal government would grant the states funds for scientific scholarships and make allotments for the development of specific projects. The cost of the bill for the first year of operation is estimated at about \$40,000,000.

We can learn from others, and we cannot afford to be left behind in scientific achievements. The results of applied science have been enormously beneficial to everybody, but too often the scientist has been poorly paid and unappreciated. We can benefit ourselves by taking a leaf from Russia's book.

One-Armed Bandits

THE raid on slot machines at the Elks club and Veterans of Foreign Wars club here Tuesday may be taken as an indication that the Escanaba police department is going to crack down on gambling in the community. The police department action is in conformity with a resolution adopted by the city council several months ago.

Aside from the fact that slot machines are illegal under Michigan laws, the regulations of the Michigan Liquor Control Commission stipulate that gambling devices of any kind shall not be located on the premises of any licensee of the commission. Jeopardy of liquor licenses has served to eliminate the one-armed bandits from just about all establishments other than so-called private clubs. The action of the police department seeks to drive the gambling devices from the private clubs.

The VFW of Wisconsin has proposed that gambling devices be legalized in that state and that taxes from gambling be used to meet the cost of a veterans bonus. Such a proposal has not yet been presented in Michigan for payment of a state bonus to veterans but it is not unlikely that similar suggestions will be presented eventually. Gambling is an evil that should not be condoned, no matter how worthy the cause.

Take It Easy

IN PRE-WAR years the Fourth of July holiday annually took the heaviest toll of accident deaths of any day in the year. In this first postwar Independence Day observance, the danger of tragic accidents is as great, perhaps greater than in pre-war years.

In general automobiles are older and less safe than in pre-war years. There is more money in circulation, which means more widespread travel. These factors add up to a greater traffic hazard.

Take it easy. Share the road with the fellow traveler and don't insist on taking your half in the middle. Be safe and you won't be sorry.

Bathers and fishermen particularly are warned to use caution. Drowning accident tolls have always been high on July 4. Avoid dangerous waters. The best rule for swimmers is to swim only in supervised areas where lifeguards are available.

General caution can make this first postwar Fourth of July the safest and sanest in many, many years. The alternative is death and tragedy.

THIS PROPHET OF DOOM

(Chicago Tribune)

President Truman did what he could in his radio speech on Saturday evening to fill the American people with fear. He asked them to believe that all that has stood between them and abject misery is the OPA; that they will all land in the poorhouse in a few weeks unless they storm congress for a reenactment of his price control mechanism in all its bureaucratic splendor.

No doubt Mr. Truman succeeded in frightening a great many of his listeners. If they can stop trembling long enough to think, they will take heart. Who is this prophet of doom that has filled them with terror? He is President by accident. Before that, he was the protégé of Boss Pendergast of Missouri who went to the penitentiary for corruption. He is the patron of Boss Hannegan who rose to national prominence thru his infamous effort to prevent the seating of the duly elected governor of Missouri. He is the creature of Sidney Hillman. The nomination to the Vice-Presidency was "cleared with Sidney" and Sidney is Moscow's favorite American labor leader.

There is, thus, nothing in Mr. Truman's political origins to warrant confidence in his integrity and there is even less reason to credit him with good judgment in matters of economic policy. He is the Bright Boy of Potsdam whose surrender to Stalin there a year ago has held Europe in economic misery and helplessness. It should not be forgotten that Mr. Truman came home from that conference immensely pleased with himself and the work he had done.

The Truman who spoke on the radio is the same master economist who didn't foresee the world shortage of food and didn't believe it was a fact until Christian men and women forced him to face it. While children and the aged were dying of starvation, Mr. Truman, who now professes to know all about prices, was the advocate of prices for bread grains which resulted in the feeding of hundreds of millions of bushels to hogs.

In truth, Mr. Truman has been proved wrong in every important economic forecast he has even made. The listeners he frightened on Saturday night may profitably recall that it isn't so long ago that he told them, in another radio speech, that there was grave danger of depression and unemployment. In fact, in spite of such a wave of strikes as this country has seldom seen, there is no depression and high school boys are finding it easy to land summer jobs at \$30 a week or more.

HANDBOOK OF PRACTICAL ENGLISH Q. After teaching English for years, I am unable to account for our failure to stamp out such common errors as "I seen, I done, I taken." What causes people to go on making these mistakes?—Mrs. W. L. M. Answer: The authorities do not say. But I think I have hit on the answer: Such mistakes result from confusion about the irregular verbs.

For example, the person who is not well-versed in English will mistake "He's seen, I'd done, we'd taken" for "He seen, I done, we taken," for, in flowing speech the first three sound almost if not exactly the same as the second three.

Also, there are constructions in which "I seen, I done, I taken" are quite cor-

World Events Analyzed

BY MARQUIS CHILDS

Washington — The odds against an improved OPA coming out of congress are at least ten to one. On the day before he vetoed the bill, President Truman was told by administrator leaders on Capitol Hill

that the case was hopeless and his only alternative was to sign the bill in the hope of preserving something out of the wreckage of price control.

They were as surprised as the President's own personal advisers at the veto decision. For Majority Leader Barkley and the others at the Capitol it would have been an easy way out if the President had signed the bill with a message written more in sorrow than in anger.

What makes their task difficult, perhaps even impossible, is that this test comes so close to the deadline for the campaign recess. If the showdown on OPA had come earlier in the session—even six weeks earlier—the odds would not have been so uneven.

But Barkley and Speaker Rayburn know how hard it will be to force quick action in the three weeks that remain. It gives obstructionists like Pappy O'Daniel a chance to use technicalities and delaying tactics in order to hold up even a temporary restoration of controls.

—MANY SOLONS ABSENT—

A great many members of Congress, some of whom would be ardent supporters of OPA, are away. Some are at the atomic bomb test. Others have gone to Manila for the inauguration of the new Philippine government. Still others are back home, campaigning in the primaries. The work of congress is seriously hampered by this absenteeism.

The biggest factor in favor of a renewed OPA, somewhat stronger than the one provided in the vetoed bill, is the upsurge of public opinion that followed the President's action. The public recognized the courage that action took. Telegrams are flooding into Congress, demanding quick action.

But veteran Democrats put little faith in this outpouring. While it is a victory for the President, the victory is likely to be very temporary. Public memory is notoriously short.

What they fear is that families who are paying inflated prices next fall will not stop to reason where the blame lies. They will be more likely to hit out blindly at the party in power.

If very much time is allowed to go by before a temporary restoration is voted, the OPA organization will surely begin to disintegrate. Putting humpy dumpty together again will be an extremely difficult task. Already in the face of delays and uncertainties OPA has suffered serious erosion of valuable personnel.

Rep. Jesse Wolcott of Michigan, whose objection prevented quick action by the House on a temporary restoration, will try to put through a separate rent control provision. But if all other prices are allowed to soar, then such a provision will be meaningless. Landlords cannot go on indefinitely paying increased costs without getting increased rents. This single class of property owners cannot be expected to show the only self-restraint in the country.

—RENTS ARE BOOSTED—

From some cities come reports of rents boosted overnight and families faced with eviction notices. The new director of the office of War Mobilization and Reconstruction, John R. Steelman, received a telephone call from St. Louis telling of the owner of an apartment who sent eviction notices to all tenants on Sunday afternoon. But with the notices went a hint that if they were willing to "negotiate" perhaps they could stay on.

This has explosive potentialities. After the last war, rent riots occurred in many cities. The pressure for places to live was minor in 1919 compared to what it is today.

No matter what the veto may ultimately mean in President Truman's own political horoscope, the controversy has had a direct political effect on Senator Taft of Ohio. If the President did nothing else, he succeeded in linking Taft's name in the public mind with the abolition or price control and price increases.

That link is likely to remain in spite of the senator's speech of explanation. Even its author would have difficulty explaining the Taft amendment. It is incredibly complicated and involved.

In political arguments of this sort it is the simple tag that sticks. The complicated explanation rarely gets across. Taft's rivals for the prize of the Republican nomination in '48 can breathe a little more easily. How much the politics of price control will be remembered two years from now is another question.

rect. For example, "Had I seen it; had I done it; had I taken it," etc.

To the person who is uncertain about the past participle form of verbs, it is difficult to explain why "Had I seen it" is correct, and "If I seen it" is incorrect.

I have worked out simple keys to most of the difficult constructions in English; but so far I have been unable to perfect an easy device for making clear the past participles of irregular verbs.

However, I do have this suggestion for the harassed teacher of English: Since the most common mistake is the incorrect use of the three participles "seen, done, taken," it would seem wise to concentrate on them, drilling the student thoroughly on the correct usage by oral and written exercises:

I see it now. I saw it yesterday. I have seen it many times.

I do my homework. I did my homework. I have done my homework.

I take care of it. I took care of it. I have taken care of it.

If the student can master these three verbs, "see, saw, seen; do, did, done; take, took, taken," he will have a reliable guide to all the other irregular verbs, and should have little trouble with them

BLUEBERRY CROP — Folks who spent yesterday's holiday in the out-of-doors may have noticed that blueberry bushes are loaded with large green berries, forecasting a bumper crop of the fruit by late July or early August.

Conservation officers working out of the Escanaba headquarters make equally hopeful reports on the condition of the blueberry crop in this area. The bumper berry crop will be nature's way of thumbing her nose at the post-war high cost of living, and at the same time will provide many persons with the opportunity to make some money on the side. It may also bring the satisfaction of a day in the open, followed by blueberry pies, muffins and shortcake to appease outdoor appetites.

Thousands of bushels of the blueberries will go into cans and quick-freeze lockers for use next winter, for the blueberry takes kindly to storage.

IN MOURNING—An Escanaba man who asks that his name not be used, suggests that someone should inform somebody on when to fly our country's flag at half-staff—and when not to.

His dander was aroused at the sight of the American flag pulled down on its staff in mourning for the death of club members, members of fraternal organizations, or in respect to the memory of Joe Doakes, former resident who died in Tecumseh. For the benefit of the man who pulls down the flag, he points out that:

The flag of the United States is flown at half-staff only for persons of national importance to indicate that the country is in mourning. To indicate mourning for persons of importance only in their state or city, the state or city flag should be used.

In other words it is perfectly proper to fly the flag at half-staff following the death of an important personality known throughout the land. It is ridiculous, however, to indicate that the country is in mourning for a charter member of the Podunk Booster's club.

COME TRUE—For many years Americans of a certain social level have been repeating—with variations—the story of the salesman and the farmer's daughter.

Finally the story has come true. The United Commercial Travelers convention at Columbus, O., has discovered the salesman who married the farmer's daughter. He is none other than Fred Schroeder of Evansville, Ind., who met his wife, the former Miss Essie Merrill, when he stopped for a glass of milk on a hot day at her father's farm at Maysville, Ind.

DON'T OVERDO IT — Physicians are repeating their annual warning against over-exposure to the sun in an effort to acquire in three weeks or less a tan as dark as that of a mulatto. There are two dangers from this misguided over-enthusiasm — damage to the skin by burning, and heat stroke.

Medical authorities say that while sun-bathing is relaxing and beneficial if done in moderation, it is harmful if practiced to excess. Besides the sunburn, susceptible persons may develop warty growths and thickened patches of skin which will eventually become cancerous. You will not, however, they say "susceptible persons."

The Washington Merry-Go-Round

BY DREW PEARSON

Washington—President Truman did not exaggerate when he told his radio listeners that he had given the price-control veto most serious consideration. According to his close advisers, he worried more and longer over this than over any other step he has ever taken.

The President's decision to veto was virtually made at a Thursday night conference in the White House, attended by his cabinet and economic advisers. Part of them were opposed to the veto. Secretary of the Treasury John Snyder, Civilian Production Administrator

John Small, and Secretary of the Interior "Cap" Krug felt that President Truman should accept the compromise price-control bill despite its unworkable features, and try to make it work.

Attorney General Tom Clark at first agreed with them. He viewed the veto message from a political angle and told the President he hated to see him break with his good friends on Capitol Hill, particularly Speaker Sam Rayburn and Senate Majority Leader Barkley. Later, when the decision was made in favor of the veto, however, the attorney general went to bat vigorously and helped White House advisers write the message.

Advisers who carried the ball in the inner White House debate Thursday night were OPA Administrator Paul Porter, who practically camped at the White House during the week; Chester Bowles, who is retiring as economic stabilizer; John Steelman, the new war reconverter, who has become one of the closest advisers to the President; and Secretary of Commerce Henry Wallace.

Backing them up were the department of agriculture—though it was not vigorous—and Housing Administrator Wilson Wyatt, who, though not present at the meeting, sent his representative, and who was vigorous.

—BREAK WITH LEADERS—

Later, when President Truman sat down with his four congressional leaders on Friday, he almost changed his mind. He told friends afterward that he knew how hard and loyally they had worked to pass a price-control bill, and he simply hated to go against their advice. However, his main argument to them was that the half-breed price-control bill would not work. The Taft amendment, he especially argued, was absolutely impossible, and he cited accountancy experts of various big manufacturing firms, all of them against OPA, who branded the Taft-cost-plus formula as likely to bring chaos to industry.

"I just have to put what I consider the country's welfare first," the President told his congressional leaders. "Let's not fool the country and give them something that won't work."

When they told him that they would not be able to persuade their reluctant colleagues to pass any sort of price-control bill, the President replied:

"If it's this or nothing, then we'll just have to take nothing."

Among other things, the President figured that during the chaotic period sure to follow if the polyglot price-control bill were passed, Congress would claim it was his fault for not making the bill work, when, in actual fact, the bill was unworkable. He felt also that if Congress did dare to go home without a price-control bill, things would be hotter for them in their districts than in Washington. He also warned that in this case he would call a special session of Congress.

NOTE—In many respects, Truman hated to accept Chester Bowles' resignation. However, Bowles urged it upon him, partly because he wanted to leave the government, partly because he felt that the political repercussions from his exit would help price control. Bowles has been none too popular with congressmen, and he advised the President that many senators would vote for price control if he stepped out. This was the same stand taken by Leon Henderson, the first OPA boss. Actual fact is that any administrator of OPA is bound to wear out his welcome no matter how good he is.

—KANSAS ATOMIC STRAW—

The Eastman Kodak Company has been having trouble as a result of the first atomic bomb test in New Mexico—one year ago. Eastman found that, for some mysterious reason, some of its film was turning black before exposure. Finally experts discovered that the film had been packed in straw which came from western Kansas.

After the Los Alamos bomb test, radioactive dust from New Mexico settled on Kansas wheat fields, and is still so powerful that the Kodak company has had to stop using Kansas straw for packing film.

—KKK PROBE—

Chairman John Wood of Georgia and Representative Karl Mundt of South-Dakota, of the house committee on un-American activities, have quietly ordered a committee investigator to begin a study of the Ku Klux Klan.

Although the full committee did not seem to think the Klan important enough for its attention, these two members are aware of their responsibility to investigate all groups with un-American purposes, such as those of the Klan. After a preliminary report is presented, the question of a full-scale committee investigation will again be put to a vote.

NOTE—Congratulations to Congressman William Barry of Brooklyn for demanding that the house committee on un-American activities investigate the Klan. So far, however, Barry has not demanded that the committee investigate the equally un-American Christian front, several of whose meetings he has addressed. Perhaps the Klan does not have many votes in Brooklyn, while the Christian front does.

## ASK APPRAISERS TO RECHECK JOB

Resolution Is Addressed  
To Clemenishaw Co. By  
Delta Supervisors

In a resolution prepared by Prosecuting Attorney J. Clyde McGonagle for the Delta county board of supervisors, the J. M. Clemenishaw company of Cleveland has been asked to recheck certain valuations they established in townships and which have been disputed by complaints.

The resolution was prepared by the prosecutor at the request of the county board at its equalization session last week, when township supervisors attacked some real property values reported by the Clemenishaw appraisers.

The county entered into a contract with the Clemenishaw company July 25, 1945, for a reappraisal of real property in the 14 townships. In the resolution questioning a recheck on certain valuations, it was pointed out that the contract included the provision that "the responsible head of the field organization" shall be present at board of review meetings to assist in settling complaints and to defend values established by the Clemenishaw appraisers.

In board meeting several supervisors complained that the company representative was not present at board of review sessions.

The resolution cited that complaints had been received and values in certain instances attacked on appeal to the boards of review. It also pointed out that an appeal from the county's equalization has been filed with the state tax commission.

The Clemenishaw was asked to send "a qualified representative" to Delta county during August or September to confer with the boards of review on values, as provided in the contract with the county.

## Communication

### OFFICE OF VETERANS AFFAIRS

Editor  
Escanaba Daily Press  
Escanaba, Michigan  
Dear Sir:

Because of the unkind and despicable remarks about the Delta County Office of Veterans' Affairs by certain members of the Delta County Board of Supervisors, as reported in the Thursday, June 27th issue of the Escanaba Daily Press, I am compelled by my conscience to inform the public of the truth of the matter.

Upon the request of the Honorable Harry F. Kelly, Governor of Michigan, the Office of Veterans' Affairs was established in Delta County on Friday, February 18, 1944. A meeting was called by Mayor Wickman at the Escanaba City Hall, for the purpose of forming the Delta County organization. Mr. Harry Brackett was named Chairman, and I was selected as Vice-Chairman. At a later meeting, I was elected Secretary, and recently resigned that office, and am now Treasurer of the Office of Veterans' Affairs.

Having been affiliated with veterans organizations and veterans affairs for more than a quarter of a century, I was requested by the Executive Committee to manage the office, without remuneration, and this I agreed to do. At the start, the office consisted of Miss Nancy Hughitt, a part-time stenographer and receptionist, and myself. The volume of work increased steadily, and the Executive Committee determined that the demand for services by the veterans was so tremendous that it was necessary to engage larger quarters and have three full-time stenographers and receptionists.

A meeting of the Executive Committee was held on January 25, 1946, and at that time Attorney Robert E. LeMire was asked to become associated with our office, as I found it necessary to curtail the amount of time I was spending in the Office of Veterans' Affairs. The committee felt that Attorney LeMire, a veteran of World War II with 52 months of service, possessed most excellent qualifications to assume the responsibility as Counselor in the Office of Veterans' Affairs.

The primary objective of the

Office of Veterans' Affairs is to help the returning veteran re-establish himself in civilian life, and to give all assistance possible to the families of deceased veterans. Any veteran may visit our office at any time, with any of his problems, and we make every effort to help him. The veteran's Race, Religion, or political affiliation is of no concern to myself or to any member of the office staff. At no time since I have participated in veterans work, have I ever given thought to the veteran's political party. Therefore, I take this opportunity to ask those who have made such unfair charges, to show proof where politics have entered into our veterans work.

With reference to the office finances, a complete set of books is kept showing the receipt of every dollar contributed to the office, the name of the contributor, and the expenditure of every dollar. These records have been presented to the Escanaba City Council to be scrutinized, and also to the Finance Committee of the Delta County Board of Supervisors, and are available at any time to anyone who is interested in the expenditure of the funds of our office.

This office, on various occasions, has invited members of the City Council and the Finance Committee of the Board of Supervisors, and, in fact, the entire Board of Supervisors, to visit this office at any time in order that we could explain and show to them just what work we are doing, the number of veterans that we are helping monthly, and to explain every function of this office. It seems odd that the critics of our office have not accepted our numerous invitations to go over with them all the activities of the office.

It is also quite significant to me that the criticism directed against our office does not come from those we are able to help, but rather from individuals who, for some reason or another, seem to be belittling the constructive work we are doing. I think it very unfair for the Finance Committee of the Board of Supervisors to direct criticism at Attorney Robert E. LeMire, as Attorney LeMire joined our organization at our request. In view of the fact that numerous legal problems are presented to our office daily, and because of his legal training, we are

Memorial services will be held for Patrick J. DeLoughary on Monday, July 8, at a requiem mass at St. George's church of Bark River. The Rev. Fr. Neil Stehlin will officiate at the mass, which will be at eight o'clock.

AMM 2/c DeLoughary, the son of Mr. and Mrs. Thomas DeLoughary of Harris, was recently declared dead by the navy department. He had been missing in action in the Pacific near Iwo Jima since June 2, 1945. He served as a flight engineer in the Naval Air Corps. Before entering service, he attended Harris high school, and was graduated with the class of 1941.

able also to render legal services to returning veterans, and families of deceased veterans, to which we believe they are entitled.

I make no apologies for my presence in the Office of Veterans' Affairs, and it is still my intention to relinquish my official position with the office at any time when my services are unnecessary.

Yours very truly,

## New Poultry Strain To Be Exhibited At Farmers' Day Aug. 2

A new strain of New Hampshire chickens will be on exhibit at the annual Farmers' Day to be held at Chatham Aug. 2. This breed has been kept at the Chatham station the past several years and is rated as one of the best Hampshire flocks in the state.

At the recommendation of J. M. Moore, poultry specialist, hatching eggs were obtained last winter from the Twichell flock of Exeter, New Hampshire, because of high records in egg laying contests made by birds from that flock. Pullets of this stock will be in production in August.

At Chatham the practice of hatching chicks in the winter has been carried on for several years. On Aug. 2 about 300 Hampshire pullets, hatched in January and February will be seen in production when there is always a shortage of fresh eggs in the Upper Peninsula. Each year more and

more poultry keepers are following this practice with the same good results, according to J. G. Wells Jr., station superintendent. The summer laying house will be seen in operation during August. This was built during 1945 and used with good success that year. One lesson learned was not to put hens in that house too early. A drop in production resulted in putting birds in moving out in May when weather was wet and rainy.

An attempt is being made to continue the poultry flock at Chatham in spite of feed shortages since the outlook is for a shortage of eggs and poultry meat, Wells thinks. The laying flock was culled carefully in June to save feed. At the same time sexed chicks were obtained from the hatchery in order to save for cockrels.

The swastika frequently occurred in Aegean and archaic Greek pottery.

Large Class To Be  
Confirmed Sunday  
At Bethany Church

Joint confirmation and Communion services will be held next Sunday morning at the Bethany Lutheran Church. The service will be held at 10:00 A. M. in order that the service may be over at the usual time. Pastor Gustav Lund will give an address on the topic, "Jesus In My Walk And Living," after which the rite of confirmation will be read and the confirmation group will sing the class song. The senior choir, Triplet choir and Sunday school choir, together with members of the '44 and '45 confirmation classes, will meet in the basement in order to form a procession. At the communion service Pastor Lund will be assisted by Pastor Emory Pokrant.

Members of the present confirmation class are: Nancy Anderson, Elaine Marie Anderson, Wallace Anderson, Don Aronson, Joyce Mae Carlson, Vern Thure Dahlgren, Shirley Ann Day, Marvin Ericson, Glenna Ann Fellner, Nancy Laverne Flath, Robert Flath, Nancy Flink, Carl Fredrickson, Karen Fredrickson, John Gustafson, Doris June Hogan, Harold Irving, Curtis Johnson, Stanley Johnson, Glenn Mattson, Clinton Monson, Dorothy Myers, Jean Myrsten, Vivian Olson, Harold Pearson Muriel Peterson, and Janet Wittlock.

The general public is invited to attend the examinations for the 1946 confirmation class which will be held at Bethany Lutheran church on Friday evening July 5, at 7:30 p. m.

Examinations will consist of recitations on catechism, Bible history, Bible verses, hymns and church history.

The pastor has held 51 half-day sessions of instruction for 27 students since last fall.

All church choirs will take part in the services on Sunday. Members of classes for the past two years will meet Sunday morning to be seated in a group at the confirmation service.

Former Ford River  
Resident Married

A Newberry wedding of interest here was the marriage of Miss Irene Slais, daughter of Mr. and Mrs. Emil Slais, and Michael Pekkanen, son of Mr. and Mrs. Otto Pekkanen of Newberry.

The couple exchanged vows before the Rev. A. G. Amminen at the Bethlehem Evangelical Lutheran parsonage on June 27. The Slais family is well-known in Ford River, where they resided for many years.

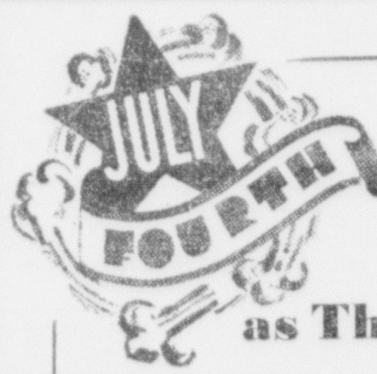

The bride wore a gold suit, white accessories, and a shoulder corsage of yellow roses. Her bridesmaid, Mrs. John Painter, a sister of the bridegroom was attired in a navy blue dress with white accessories, and wore a spray of white gardenias.

John Painter served as best man. Mrs. Slais attended her daughter's wedding wearing a navy dress with a corsage of sweet peas. Mrs. Pekkanen wore snazdragons and sweet peas with her blue print dress.

At 5 o'clock a dinner was served at the Slais home, which was decorated with roses, peonies and snazdragons. In the evening, 60 guests attended a reception there, and the bride cut the three-tier wedding cake, which was decorated with a miniature bride couple.

Following the reception, Mr. and Mrs. Pekkanen left for a wedding trip to the Cooner Country and Duluth, Minn. On their return they will reside in Newberry until September, when they will go to Laporte to live.

Mrs. Pekkanen is a graduate of Newberry high school, class of 1949. Mr. Pekkanen also graduated from that school, after which he enlisted in the Marines, serving four years, 28 months of which he spent overseas.

**TO BE BRIDE**—Mr. and Mrs. R. L. Starrett of Sheldon, Iowa, announce the engagement and approaching marriage of their daughter, Margery, to Howard C. Peterson, son of Mr. and Mrs. H. S. Peterson of Escanaba.

The wedding will take place on August 17.

120 Girls Will  
Attend Camp At  
Ski Park Area

Registration blanks included in a descriptive folder for the Escanaba Girl Scout Day Camp have been completed, and will be at the Carnegie public library for distribution on Friday afternoon, July 5. Any girl in Escanaba, age 7 to 14 years, may attend, whether or not she is a Scout.

Girl Scouts who plan to attend must have their registrations in by July 10. Non-Scouts must register by July 15. All information about the camp, what to wear, what to take, transportation, camp activities, fees, etc. is included in the folder. Due to the paper shortage, only 300 folders have been printed, so unless the girls are seriously considering attending camp, they are asked not to request the folders, which are available from the librarian.

The Day Camp, sponsored jointly by the Escanaba Girl Scouts and the City Recreation department, will be held at the Escanaba Ski Park July 29 through August 1; and August 5 through 8. The camp will be closed week ends.

Bus transportation will be provided each day, leaving the Junior high at 9 each morning and returning at 4 each afternoon.

**Activities Planned**  
The Girl Scout organization of Escanaba is furnishing all staff members, craft materials, transportation, one hot meal a day, milk, and equipment to be used in activities. The City Recreation department has furnished the site,

which meets all standards of health and safety. In addition, the city has put in a safe water supply at the lodge, and provided clean latrine facilities.

Miss Mary Krutina of Nahma, certified camp director, has been engaged to supervise the camp. She will be assisted by ten trained leaders. A full outdoor camp program will be given each week, including outdoor cooking, hikes, craft work, with special attention paid to the capabilities of each age level.

The camp will accommodate 60 girls each week, and registrations will be accepted in the order they are received until the quota is reached. A girl may register for one session or both, but cannot register for less than one four-day period.

Direct economic loss from traffic accidents in 1945 is estimated at \$1,450,000,000.

Charlotte Boch  
Is The Bride Of  
Edward Bartosz

Fresh garden flowers decorated the altar of St. Michael's church at Perronville for the wedding on June 29 of Miss Charlotte Boch, daughter of Mrs. Helen Boch of Perronville, and Edward Bartosz, son of Mr. and Mrs. Michael Slaga, also of Perronville. The couple exchanged vows before the Rev. Raymond Przybylski.

The bride wore a gown of white brocade satin, with sweetheart neckline and long sleeves. Her lace edged veil was held in place by a tiara fashioned of satin loops. She wore a single strand of pearls, and carried a bridal bouquet of mixed flowers.

Miss Theresa Bartosz was the maid of honor, and bridesmaids were Priscilla Machia, Wanda Welch, Vangie Slaga, and Agnes Holchowst.

Casmir Slaga served as best man, and ushers were Edward Palka, Walter Wieciech, Stanley Shiverski and Joseph Boch.

The flower girls were Georgiann and Carol Lynne Jaglinski, and the ring-bearer was Louis Pach.

Following the ceremony, a wedding breakfast was served at the Michael Slaga home, and later guests attended a dinner at the Bark River Community hall.

Mr. and Mrs. Bartosz left Wednesday for Ann Arbor, and plan to spend a week in Chicago before returning to Powers, where they will make their home.

Among the out of town guests who attended the wedding were Mr. and Mrs. Walter Ramsey and son, and Casmir Slaga, Vangie Slaga, Carl Nelson and Frank Malicki of Chicago; Mr. and Mrs. Frank Jaglinski and daughters, and Mr. and Mrs. Dick Schenk of Oak Park, Ill.; Mrs. Stanley Bohlski and daughters, of Peoria, Ill.; Mr. and Mrs. Edward Nawa, Sr. and Mr. and Mrs. Walter Kurnek of Lakewood, Ohio.

St. Mary's Court No. 561 will hold its regular meeting Friday evening in St. Joseph's club rooms at 8 p. m. There will be a social hour following the meeting.

**Evening Star Society**  
The meeting of the Evening Star society, scheduled for tonight, has been postponed until Saturday night, July 13.

## Taxicab Problem Gets Council's Attention; Bridges Permit Denied

The question of whether or not more taxicab companies may be permitted to go into business in Escanaba consumed a good portion of the city council's attention at the regular meeting last night and representatives of the present operators and those who plan to start new cab services argued the matter hotly but as the formal applications for permits to operate so far made do not conform with the city ordinance, the council took no final action other than a recommendation to City Manager Art Aronson to complete a study of the matter.

### Refuse Permit

Though it was not put to a vote,

council agreed tacitly to refuse even Bridges, local contractor, to set a temporary permit to C. G. up a gravel washing plant on the property near his present location on South 23rd street. However, the city manager was instructed to invite Bridges to seek a suitable location in an industrial area of the city.

Residents and landowners near Bridges raised objection to the establishment of the proposed plant which is in a residential district.

A recommendation by Mayor Coon that all bids the city had received on a parcel of property adjoining the Fence Company of America be rejected, received favorable council action.

It was the original wish of the city that the land be purchased by S. M. Johnson, local merchant, with the understanding that it would be used by the fence company which now leases adjoining property owned by Johnson. However, he was not the highest bidder on the property, and the council exercised its right to reject all bids pending a satisfactory settlement among the

parties involved regarding the land.

### Toilets at Beach

Expenditure of an estimated \$1855 for toilet facilities at the north side sand point bathing beach was approved but the council told City Manager Aronson that the work should not be done until funds "are available." In any case, the project could not be completed for use this summer but will probably be ready for the 1947 season.

Mayor Marvin Coon and Councilman Sam Wickman volunteered as the city's delegates to a war memorial meeting scheduled for July 15 at the city hall, when plans and suggestions of various local organizations for a "living" memorial to the dead of World War II will be discussed.

Council moved to offer for sale at a minimum price of \$400, two city owned lots near the Michigan Conservation Department headquarters which a local bakery is interested in acquiring.

A resolution to vacate a portion of 21st street between 21st street and Fifth and Sixth avenues north was adopted and a public hearing on the matter was set for Aug. 1. The action was taken at the request of several citizens owning nearby property.

Action regarding a change in insurance on municipal buildings was postponed until council meets, probably next week, with representatives of several insurance companies to further study the matter.

Several councilmen announced their intention of attending at least one of the two day sessions of the Municipal League meeting on July 11, 12 at Marquette.

The city manager reported that the city's bid of \$800 on a lot on First avenue north between 11th and 12th streets, which it will use for parking space, was now acceptable to the owner and council approved the purchase. The city's bid had been previously rejected.

Council listened to a complaint made by Henry Frost, 512 South 17th street, who objects to the situation of a dwelling to be erected next to his home because it will block any view, but the city fathers said nothing could be done as the builder is conforming with zoning and building regulations.

Councilman Victor Nelson was absent from the meeting.

### URGES TIME CHANGE

Menominee—Alderman John H. Dunlap, Second ward, chairman of the judiciary committee, told city council last night his committee was studying an advisory ballot for submission to voters in the November election of a proposal for daylight saving time for next summer to be invoked during the months of June, July and August.

Dunlap said his committee also would suggest the termination of this year's daylight saving time, which went into effect early in May, on Sunday, Sept. 2 instead of Sunday, Sept. 29, as originally scheduled.

# National Amateur Roleo And Water Festival Opens Today

## THREE DAYS OF FUN ARRANGED

Birling, Aquatics Main Features Of Fine Program

Everything is in readiness for the National Amateur Roleo and Water Festival which opens here today and continues through Saturday.

While birling is the main feature of the three-day event, there are many other outstanding attractions on the program, including competitive swimming between outstanding junior swimmers of Michigan and Minnesota.

### REMOVE BOATS

All boats must be removed from the harbor or beached in order that they not interfere with swimming or birling, or in the spectators view of the various events, it was stated yesterday by City Manager H. J. Henrikson. This should be done before noon today.

Birling will begin this afternoon and there are sufficient entries in all events to make for interesting competition. There will be boys and girls novice, boys and girls junior, a free for all, oldtimers and Boy Scout event.

Swimmers from Arthur Hill high school, Saginaw, will compete in a series of races with swimmers of several Minneapolis and Austin (Minn.) high schools.

There will be an Upper Peninsula model airplane meet sponsored by the Strato-Flies which should prove an attraction.

Tommy Thompson, Minneapolis, now out of service, returns to thrill spectators with his varied repertoire of dives.

Ed Meeks, professional sawyer, will give exhibitions of sawing and will help direct the chopping and sawing contests.

Nancy Grubb and Barbara Steichen, Minneapolis, junior champion girl swimmers, will appear in exhibitions, demonstrating various strokes.

A big parade at 10:30 o'clock this morning will mark the opening of the roleo. At the park, Atty. Michael O'Hara, Menominee, who recently returned after service with the U. S. Marine Corps, will deliver a patriotic address. Spectators will be welcomed by Mayor Fred Schram.

Wallace C. Cameron, superintendent of schools, will handle the microphone as master of ceremonies. In the swim events he will be assisted by Dave Gaine, coach of the Saginaw Lumberjacks.

## FINE PROGRAM AT GOLF CLUB

College Golf Star Will Display Skill At Course

Highlighted by an exhibition by William "Bill" Waryan, University of Minnesota golf star, a program interesting to golfers has been arranged for today by the Gladstone Golf Club.

There will be a flag tournament, beginning at 1 o'clock in which all are invited to participate.

Waryan's exhibition is scheduled for 3:30 o'clock.

From 5 to 7 o'clock there will be a smorgasbord at the clubhouse. Advance ticket sale for this event has been made.

In the evening, starting at 7 o'clock there will be a driving contest. Contestants will use the No. 6 tees and drive down the No. 5 fairway.

## Three Softball Games Here Today

A number of softball games are on tap for today as part of the opening day's roleo program.

The Detroit Silents, a team composed of deaf mutes, will play games here, meeting Larry's at 4 o'clock and Wally's and Frank's at 6:45.

Larry's and Wally's and Frank's will also clash today, the game scheduled to begin at 12:30 o'clock. This game will be for the leadership of the Gladstone league.

Ray Wahowiak, son of Mr. and Mrs. John Wahowiak, is a pitcher on the Silents.

### Rapid River

#### DeCook-Winchester

Miss Mary E. DeCook, daughter of Mrs. Arthur DeCook, 1319 Superior avenue, city, and Earl Winchester, son of Mr. and Mrs. Harry Winchester, Escanaba, were united in marriage at an 8 o'clock nuptial mass on Tuesday morning, July 2, at All Saints Catholic church. The Rev. Fr. Joseph Schaul performed the ceremony.

The altars of the church were decorated with red roses and peonies. The Mass of the Blessed Sacrament was sung by the Choir, and the traditional wedding marches were played by Mrs. C. A. LaFave, organist and director of the choir. Leonard Kropowski sang, Schubert's "Ave Maria" at the offertory and "Panis Angelicus" at Communion. Other solos of the Mass were sung by Mrs. Gus Dehlin and Mildred Ketchum.

The couple were attended by Miss Teresa DeMay, cousin of the bride and Harold Winchester, brother of the groom.

For her wedding the bride chose a two piece yellow mesh dress with white accessories. She wore a corsage of gardenias and carried a white Rosary.

The bridesmaid wore an aqua line two piece dress with white eyelet trim and white accessories, and her corsage was red roses.

The bride's mother was attired in a navy blue silk jersey dress and the groom's mother wore an aqua dress. Both mothers wore corsages of red roses.

A wedding dinner for 15 guests, members of the immediate families was served at the home of the bride's mother. A three tiered wedding cake topped by the traditional miniature bride and groom centered the table. Red roses and peonies were used in the home decorations.

The couple left on a wedding trip to an undisclosed destination. For her going away costume, the bride chose a grey suit with white accessories.

The bride is a graduate of Gladstone high school and is employed at the Office of the Northwestern Veneer and Plywood Co. and the groom is employed at the Paper Mill at Groos.

The couple will make their home at 1319 Superior avenue, city.

Out-of-town guests at the wedding were, Mr. and Mrs. Harry Winchester, Mr. and Mrs. Harold Winchester and daughter, Fayne. Mr. and Mrs. Bud Winchester and daughter Paty Lou and Mrs. Arthur Lied, Escanaba.

#### Sherman's Party

Sherman Derosha, Jr., son of Mr. and Mrs. Sherman Derosha, Sr., entertained at his home, 1206 Wisconsin avenue, on Friday afternoon, June 28, in honor of his seventh birthday anniversary. Games were played and lunch served. A prettily decorated birthday cake centered the table.

Guests at the party were, Mrs. Wayne Sundallus and children, Carol, Lorraine, Jimmy and Jerry, Mrs. Hilding Peterson and Barbara, Joan and Colleen, Mrs. Hilding Carlson and Roger and Larry, Mrs. Thil Trudeau and Willard, Dick and Dorothy Mae, Mrs. Frank Sirola and Gordon, Mr. and Mrs. H. J. Henrikson, Jack, Billy and Larry Beach, Dale Osterberg, Tommy Sepic, Janet Sue Olson, Peter Weingartner and his grandmother, Mrs. Derosha.

Sherman was the recipient of many nice gifts.

#### Schnee-Bray

At a charming ceremony on Tuesday afternoon, at 2 o'clock in the Memorial Methodist church, Miss Dorothy Schnee, daughter of Mr. and Mrs. Louis Schnee Sr., 219 South 9th street, city, and Donald W. Bray, 704 North Durkee street, Appleton, Wis., spoke their vows before Rev. Glenn Kjellberg, who performed the double ring ceremony.

The church was decorated with white peonies for the occasion. The traditional wedding marches and "Love Sends a Gift of Roses" were played by Mrs. Ed Olson Jr., organist.

The bride, who was given in marriage by her father, wore a light blue suit with white accessories. Her corsage consisted of white gladioli and red roses.

The bride's sister, Mrs. Jerome Lamers, was bridesmaid, and she was attired in a grey suit with white accessories. Her corsage was identical to that of the bride.

The groom was attended by Jerome Lamers and John Pettit ushered.

A wedding dinner with covers laid for 30 guests was served at the home of the bride's parents at 5:30 o'clock. The traditional wedding cake centered the attractive table and pink and white streamers completed the decorations.

The bride has been employed at the Vogue Beauty Shoppe in Appleton and the groom at the Wisconsin Wire Works, Appleton. The couple will make their home at 510 1/2 North Clark street, Appleton, following a honeymoon in Sault Ste. Marie, Mich., and Canada.

Out-of-town guests at the wedding were Mr. and Mrs. Willard Bray, Mrs. Ruth Honke, Appleton, Mrs. Florian Weyenberg, Mr. and Mrs. Barney Vasters and son, Lee, Little Chute, Wis., Mr. and Mrs. Art Schnee, Kimberly, and Mrs. Ray Spahn and daughter.

# Girl Scout Day Camp To Open Here Monday

The Girl Scout Day Camp will open Monday morning at 9 o'clock at Marble Park on Bunker Hill. All Girl Scouts of the city from 7 to 14 years of age may attend as there will be both Brownie and Intermediate units.

Camping is a popular and important part of the year-round Girl Scout program and to give a camping experience to every registered Scout is a challenge that the Gladstone Girl Scout Council has faced.

The council has partially answered the challenge by providing opportunities for troop and established camping, but day camp provides summer camp activities for more girls and for a greater length of time. Last year 107 girls attended the day camp.

The day camp this year will be of three weeks duration and for five-day periods each week. The weekly periods are July 8-12, 15-19 and 22-26.

**May Still Enroll**

There are a few vacancies left in both the Brownie and Intermediate units and girls may register for the camp on Friday, July 5, at the office of Supt. W. C. Cameron at the high school.

The weekly fee is \$2.50 per person. All milk, meat, some food and all handicraft materials are provided by the council.

A fine program of activities including outdoor cooking, hiking, handicraft, games, dramatics, campcraft and folk dancing.

On Thursday evening each week there will be a campfire and program to which parents and interested adults are invited.

Mrs. Grier Ivory will again direct the camp. Mrs. Ivory took a special course in camp directing at Camp Metamora a year ago.

Assisting staff: Mrs. J. C. Peterson, dietitian; Mrs. William Green and Mrs. E. A. D'Amour, business managers; Wilfred Seymour Lewis, Wilfred Bedard, W. W. Wixom, Ray Gazlay, O. S. Hult, Oscar Ohman, Lorraine Murphy, Gus Boydston and the Misses Katherine VanDonsel, Elaine Norton, Helen Masterson, Alice Dehlin and Margaret Schenk, unit leaders. Gay Hoffmann, Marjorie Ann LaFave, Mary Lorraine Willis, Shirley Lied, Gerry Girard, Beverly Burt and Alice Dunsmore are junior counselors. Alice Dehlin will be the First Aider.

**Train Staff**

Mrs. Ivory is conducting a pre-camp training session for staff members Friday afternoon at 3 o'clock in the Home Ec rooms at the high school. This will be the last before opening of the camp.

The camp committee of the Gladstone council is composed of Wallace Cameron, general camp chairman; Mrs. J. P. Bushong, co-chairman; Mrs. Ray Gazlay, day camp chairman; Mrs. R. E. Hetrick, troop camp chairman; Mrs. William Green, Timber Trail camp chairman, and Hugo Johnson of Kipling and Dr. O. S. Hult.

## Jeanne M. Carroll, Former Resident, Wed At Menominee

A wedding of interest to Gladstone residents took place recently in Menominee when Miss Jeanne M. Carroll, daughter of Mr. and Mrs. Myron Carroll, former Gladstone residents, became the bride of Earl H. Foley, son of Mr. and Mrs. Ernest Moley, also of Menominee.

Pink and white flowers decorated the candlelight altar of St. Ann's church as the couple repeated their marriage vows before the Rev. Fr. John Arneht.

The bride wore a gown of white satin, fashioned with a fitted bodice, long tight sleeves, and a gracefully flared skirt which swept into a long train. A pearl-embroidered coronet held a double finger-tip veil of bridal illusion, and she carried a bouquet of calla lilies.

Mrs. Harold Williams, her sister's matron of honor, wore a full-skirted frock of pink taffeta with a matching pink quilted bolero. She carried an arm bouquet of pink Virginia carnations, and wore matching flowers in her hair.

James Foley served as best man for his brother.

**Attend Dinner**

For her daughter's wedding, Mrs. Carroll selected a light blue pointed crepe dress with white accessories, and wore a shoulder spray of pink and white carnations. Mrs. Foley wore black crepe with white accents, and also wore a mixed bouquet. Attending the service with family members was the bride's maternal grandmother, Mrs. Margaret LaBumbard of Gladstone, who wore a black dress with white accents, and a shoulder bouquet of pink and white flowers.

Breakfast was served to the immediate families in the home of the bridegroom's parents, and 50 guests attended a wedding dinner in the afternoon at the Carroll residence. Rooms of both homes were decorated with spring garden blossoms. A four-tiered cake centered the dinner table, and was flanked by bowls of white flowers.

When the young couple left later for a wedding trip, Mrs. Foley was wearing a travelling costume of blue gabardine, with a black hat and accessories. When they return, they will reside in their new home in Menominee, which was recently completed.

Mrs. Foley is the employee of the Lloyd Manufacturing company. Before her marriage, the bride was employed in the office of the VanDomelen company.

Guests from out of town who attended the wedding were Mrs. Margaret LaBumbard, Mrs. Harvey Groleau and daughter, Gertrude, Mrs. Bernice Lancoeur, Mrs. William McCormick, all of Gladstone; Mr. and Mrs. Ray LaBumbard and Mr. and Mrs. Russell Ross of Rapid River; Mr. and Mrs. John Novack, Escanaba; Mr. and Mrs. Walter Johnson of Rockford; Jacob Thoney of Goodman; Mr. and Mrs. Ernest Foley, Jr., of Peshigo; Mrs. George Schelke and Mrs. Arthur Krueger of Iron Mountain; Mr. and Mrs. E. J. Bonville and daughter, Ann, and Miss Elsie Foley of Cedar River.

## Engadine

# DEATH COMES TO JOHN SOLAR

**Had Resided In City  
For More Than  
Thirty Years**

John Solar, 61, a resident of Manistique for thirty-four years, died Tuesday evening at his home on Alger avenue following a fire, but he did not take a severe turn for the worst until Sunday. Death came as a result of a heart attack.

Mr. Solar was born in Mislava, Czechoslovakia, on April 17, 1885, grew to manhood in that country and about a year after his marriage, in 1911, he emigrated to America, coming directly to Manistique where for many years he was employed by the Charcoal and Iron Company of America. Later he was employed by the Inland Company working there until about two years ago when ill health prompted his retirement.

Surviving him are his widow, two daughters, Anne, of Washington, D. C.; Anne, at home; a son, Martin, at home; a brother, George, of Manistique township, and a brother and three sisters in Czechoslovakia. A son, Lieut. John Solar, was killed in action while fighting on the European front about a year ago.

Funeral services will be conducted at St. Francis de Sales Catholic church on Saturday morning at 8 o'clock with the Rev. Fr. B. J. P. Schevers conducting the funeral mass. Burial will be in Fairview cemetery. The body is now at the Morton Funeral Home, but will be taken to the home on Friday noon.

# MANISTIQUE

**New Air Instructor  
At County Airport**

Merrill Cornell, of Washington Island, arrived in Manistique the first of the week to take charge as training pilot at the Schoolcraft County Airport, succeeding Don Peltier who has taken up similar work at Mount Pleasant.

Cornell received his training in the war where he piloted B-26 planes in the European theater. He served as a pilot for three and one-half years. On one occasion he was shot down by enemy gun fire, but bailed out to safety behind Allied lines.

He is employed by the Bow Jack Company.

## NEW HOSPITAL A POSSIBILITY

**A 30 - Bed Institution  
Would Cost \$200,000  
Says Committee**

Prospects for a community hospital in Manistique were rated as probable and urgently desirable but not likely to become a reality for a considerable time in the future in a report recently made by a local committee appointed by the Schoolcraft-Manistique Chamber of Commerce to investigate the matter.

The gist of the report, presented at the dinner meeting of the Chamber of Commerce at Hotel Ossa Tuesday evening, revealed that proposition has been thoroughly investigated by a committee made up of Russell Watson, Dr. James Fyvie, Otmer Schuster and A. W. Heitman.

First to be investigated was the suitability of the infirmary for the purpose, but the idea was dropped when the state fire marshal gave an unfavorable report, stating that the building was not of fireproof construction and was unsuitable as a modern hospital. Because of this unsuitability Mr. Watson stated, the federal grant in aid which sponsors expected would not be forthcoming.

A new 30-bed hospital, fully equipped to modern standards, would cost in the neighborhood of \$200,000, the committee learned. For such a project, a grant of 40 per cent of the cost from government aid could be expected. A survey also revealed that while such an enterprise would not be considered as a profit producing one, there was ample reason to believe that it would be self-sustaining.

The committee suggested that a non-profit organization be formed with the object of making the hospital a reality. Donation of land at the old fair grounds for the purpose has already been assured by the Schoolcraft County Board of Supervisors.

**Shoe Repair Shop  
Opens For Business**

Gunnar Lindstrom, formerly of this city but for the past several years, of Chicago, Ill., arrived in Manistique a few days ago for a visit. Upon his arrival, he learned that there was an exceptionally good opening for a shoe repair shop in the city and that the shop of his father, the late John Lindstrom, at 225 Oak street, was vacant and ready to be reopened.

He decided to stay and Wednesday announced his place open for business.

**Michigan Farmers  
Income Over Half  
Billion In 1945**

Lansing—(AP)—Michigan farmers received a record \$530,597,000 for their products in 1945, to go over the half billion dollar mark for the second consecutive year.

The 1944 total was \$529,089,000 and in 1943, the state's farmers received \$477,490,000 for agricultural marketing, C. J. Borum, federal agricultural statistician, reported today.

Borum said the figures included cash receipts for farm marketings and government subsidy payments, which accounted for \$29,170,000 of the 1945 income. Value of products consumed on farms was not included.

The lowest year in returns for agriculture products was 1932 when the cash income was only \$128,739,000.

## Long Bread Lines Form In Manistique

In spite of every evidence of prosperity, Manistique has its bread lines. One of the local bakeries and other places where bread is sold were crowded and people stood in line to place their order for a single loaf of the staff of life.

The reason is the unprecedented holiday crowds and the shortage of bread. The bakery baked three batches of bread on Wednesday.

Traffic on local streets was the heaviest seen in many years and parking space was at a premium.

## LOANS TO PLAY HERE TONIGHT

Iron Mountain Softball Leaders Featured Under Lights

The Liberty Loan softball team, leaders of the Civic league of Iron Mountain, will visit Escanaba tonight to play the local Liberty Loan at the lighted field in the feature game scheduled for 8:45.

After winning all their games by decisive scores, the victory streak was broken for the Iron Mountain club recently when the league-leaders suffered their first defeat in a 3 to 1 contest with Squinch's Bar. Squinch's used a hurler acquired from Norway, Casanova, who turned in a neat four-hit job to out-pitch "Boosh" Hiltonen who allowed seven well-bunched hits.

Incidentally, Squinch's Bar will be here Sunday night to play the local V.F.W.

"Boosh" Hiltonen will probably pitch for Iron Mountain but their catcher has not been announced. The local Loans will use Gereau or Eis on the mound with Anderson behind the plate.

In the preliminary scheduled for 7:30 the league-leading Bethany will meet the Flat Rock CYO in a non-league game. The battery for Bethany will be Monson and Mulvaney.

The K. of C asked to be excused from appearing because most of their team will be out of town and the CYO consented to take their place.

## Bob Feller Gets 10 Strikeouts And Beats Browns, 6-0

Cleveland, July 3 (AP)—Blazing Bob Feller zoomed his strikeout total to 184 victims as he fanned 10 St. Louis Browns today while copping his 14th victory and sixth shutout for the Cleveland Indians,

## The Sports Parade

By Ken Gunderman

The all-star football game at Negaunee is past the will-it-or-won't-it stage and has developed to the point where the management is putting the ducks on the market. This means that the promoters are so certain that the event will be held as scheduled that they have already committed themselves to some financial obligations. It is indication enough that the fans can make plans to attend the first all-star football game ever conducted in the Upper Peninsula. The game will be played under the lights the night of August 17 at the Negaunee playground.

The feature match of the Munising boxing card this evening will be between George Dougherty, a Navy dischargee, and Bob Read, the guy who challenged the winner of the Sharkey-Hubbard bout at the Escanaba show May 27. Although other matches on the Munising card will be exhibition affairs and no-decisions, this match will be for keeps and a winner will be returned. According to rumors reaching this corner, the boys have been saying some nasty things about each other.

The Escanaba Bears don't expect to be going to Channing today just for the ride. Bad luck has cursed the club on every road trip and the Bears figure this is the time for a new deal. They trimmed Channing here, 3 to 1, recently, and hope to make it two straight over the Railroaders. The Bears will catch up to the league schedule this afternoon after beating

6 to 0, before 8,592 fans.

Feller kept 10 Birmen hits well scattered and hammered in two runs to seal the Tribe's third straight victory in the sixth frame when he singled with the bases loaded.

The holiday sports feature in Escanaba is the softball game tonight at 8:45 o'clock at the lighted field when the Liberty Loans of Iron Mountain, leaders of the Iron Mountain league, meet the Liberty Loans of Escanaba. Boosh Hiltonen, ace chucker of the Iron Mountain Loans, hurled a one-hitter Monday night in league play and probably will push 'em up against the Escanaba club tonight. The club is three full games out in front in the Iron Mountain league with 12 victories against a single defeat.

Escanaba sports promoters have purposely avoided major attractions here today to prevent conflict with the big national rodeo and water festival at Gladstone. In addition to the log birling feature, the program sparkles with a swimming program highlighting nationally known prep stars from Saginaw Arthur Hill, and from Minneapolis and Austin, Minnesota high schools, state champions all. The water churning program at Gladstone promises plenty of thrills for even the most avaricious fan.

## Hudson Pitches Senators To Win Over Athletics

Philadelphia, July 3 (AP)—Big Sid Hudson allowed the Philadelphia Athletics seven hits as he pitched Washington to a 3 to 1 triumph today for his sixth victory against five defeats. It was the Senator's seventh triumph over the Mackmen since July 1, 1945.

In the sixth with one out, Priddy hit his second home run of the year into the left field stands. Hank Majeski gave the A's their

## TENNIS CLASS PLANNED HERE

Free Instructions Will Be Given At Local Courts

Free tennis instructions will be offered daily from four to five o'clock at the Ludington park and Royce park courts, it has been announced by the city recreation department. Adult groups may receive instructions in the evenings by appointment.

Don McKie will conduct tennis lessons at Ludington park courts and Ruth Goodreau will give instructions at Royce park.

The municipal courts are all in good condition and new nets have been installed.

The department also announced that a total of 65 youngsters from ages six to 15 have been registered for swimming classes. Any boys or girls not registered may do so at the classes.

Boys and girls age nine or younger will meet for swimming classes Tuesday, Thursday and Saturday from 10 a. m. to 11:30 and boys and girls age 10 and over will meet on Monday, Wednesday and Fridays at the same hours. Art Peterson and Ray Ranguette are conducting the classes.

## Handicap Tourney At Highland Today

A handicap tournament for men will feature the Fourth of July program today at the Highland golf course. The tournament will be a nine-hole event and the tournament round may be played at any time in the day.

Sunday, July 7, the Oak Crest club of Norway will play an inter-city match with the Highland golfers at the Highland course.

## SOFTBALL

### FIRST PLACE TIE

DeGrand and Brisbane moved into a first-place tie with Corbett's Corner by defeating Hewett's Grocery yesterday afternoon at No. 2 diamond by a 13 to 3 score. The winning pitcher was McCarthy and Kasbom was his receiver. The battery for Hewett's was Valentine and St. Jacques.

### GAME CANCELLED

The Midget league game between Rose Park Store and DeGrand and Brisbane scheduled for Webster diamond at 2:00 in the afternoon has been cancelled and will be played at a later date. DeGrand and Brisbane can't play in the afternoon and Rose Park Store would be unable to play in the morning.

### CADET LEAGUE

Groos and Co. will play the Champs in a Cadet league game at Royce Park Friday night at 7:00 o'clock. West End plays Oberg at Ludington Park at the same time.

Groos and Co. won their first Cadet league game of the 1946 season when they edged out the West Enders at Webster playground Tuesday night by a 9 to 8 score. Going into the last half of the seventh inning trailing by one run the Groos left fielder, Charley Olson, hit a long home run to tie up the ball game. Duane Lindsley followed with a line drive single to center. After taking second on a passed ball, he scored on a sharp hit to right field by Ray Oseen. Ray Menard pitched for West End with Tippy Legeault receiving. The Groos and Co. battery was Ray Oseen and Jim Nyquist.

### CORBETT'S CORNER

Corbett's Corner garnered their second Midget league game yesterday afternoon as they trounced Rose Park 17 to 1 at Webster playground. Corbett's scored most of their runs in the early innings on numerous Rose Park errors. Ozmak and Martinec were the hitting stars for Corbett's while Howie Larson and Wally Finstrom played stellar games for Rose Park Store. The batteries were as follows:

Corbett's: Corbett, Bud Provo and Peter Kutches.

Rose Park: Jack Courneene and Wally Finstrom.

### BOILERMAKERS WIN

The Boilermakers defeated the Hawks 10 to 6. They were sparked by home runs by DeGrand and Welman. Blake and Wellman handled the ball for the Boilermakers.

### WHITE BIRCH WIN

The White Birch defeated Verhammes by a score of 10 to 2 last night in the second game at the lighted field.

### GRANADA NIPS BUCK INN

Granada Garden won from Buck Inn, 7 to 4 in the first contest last night at the lighted field.

### KAYSEES BEAT ST JOE

The Kaysees tripped St. Joe, 11 to 1, last evening at the No. 1 diamond. Batteries were Courneene and Gafner for the Saints, LaCosse and Brown for the Knights.

### BETHANY'S WIN

The Bethany softball team defeated the Delta Transits, 3 to 1, at Ludington park last evening. Harry Monson, Bethany hurler, fanned 15 and allowed only two hits.

Score by innings:

Bethany ..... 010 000 2-3 4 1

Transits ..... 000 000 1-1 2 2

### GAME CANCELLED

The non-league Bethany - K. of C. game, scheduled for tonight, has been cancelled.

### LUDINGTON PARK WINS

Ludington Park Juniors defeated Royce Park Juniors today at Royce Park, 9-5.

Batteries—Lud. Park—Besson, Peterson and Papineau; Royce Park—Monson and Carlson, Paulson.

## 15TH WIN FOR HAL NEWHOUSER

Twirler Drives Winning Run In For Tigers In Tenth

Detroit, July 3 (AP)—Ever-reliable Hal Newhouser, working a day ahead of his regular turn to get in the starting line-up, hurled a major league All-Star game, hurled and batted the Detroit Tigers to a 2 to 1 decision over the Chicago White Sox in 10 innings today.

To achieve his 15th victory of the season, Newhouser had to drive home the winning run with a long two-bagger in the 10th that scored Catcher Paul Richards after he also doubled.

Mizzell (Whitey) Platt homered in the second inning for the Sox and that was Chicago's only hit until Hal Trosky singled and Platt laid down a perfect bunt for a hit in the 10th.

## Two Seagull Races To Be Held Sunday

Because the Escanaba Yacht club's summer race program has been stymied by the weather and other factors, Stuart Fry of the EYC announced last night that a pair of elimination races in the seagull class will be held on Sunday afternoon.

Course for the races will be from the harbor entrance around the red can buoy, around a flag buoy off the front of the St. Ignace church and back, then the course will be reversed. A circuit of the course is 3 and three-fourths miles.

Starting times and other details of the races will be announced later.

## Locke Shoots Hot Golf In Tourney

St. Andrews, Scotland, July 3 (AP)—Bobby Locke, justifying his buildup as the hottest man in current British golf, blasted par by four strokes with a record-setting 69 today in the first round of the British open championship, but the rest of the field was right on his tail.

It was a great day for the form players. Only one stroke back of Locke were Veteran Henry Cotton, trying for his third open crown, and Norman Von Nida, the diminutive Australian who led the qualifiers.

## Local Boxers In Munising Matches

Escanaba boxers who will participate in the boxing exhibitions at Munising this evening will leave here at two o'clock this afternoon. Boxers are asked to meet at Dewey's station and will travel to Munising by automobile. Weighing-in is scheduled for four o'clock at the Legion club in Munising.

## Detroit 'Silents' Play VFW Softball Team Here Friday

Local softball fans will be treated to an exhibition by a Detroit team when the "Silents" of the Auto City visit Escanaba Friday night to play the Veterans of Foreign Wars at the lighted field at 8:45 o'clock.

The "Silents" are composed of members of the Deaf Association of Detroit and are paced by Ray Wahowiak, former Gladstone star athlete. Wahowiak pitched brilliant ball in many games when he performed for Leloff's Tavern and Delta Chemical during the pre-war area. Ray featured a peculiar leg kick which he used with his falling ball to draw the batter's attention from the pellet and it proved very effective.

Louie Kostkiewicz will be on the hill for the Vets and Dave Larson will handle the fast chucking. Wahowiak will pitch for the Silents but their catcher's name is not known.

The preliminary is a regular league game between Larmays and Flat Rock CYO. Brayak and Olson will form the Larmay battery while Leo Lancelot and Harry Lancelot will do the heavy work for Flat Rock.

## BEARS TRAVEL TO CHANNING

Escanaba Ball Club In Holiday Game At Railroad Town

The Escanaba Bears baseball team will meet the Channing Railroaders in a NWM league game today at Channing. The local club will meet at DeGrand's corner at 9:30 o'clock and will travel to Channing by bus.

The Bears will play their next home game here Sunday afternoon, meeting the league leading Niagara Badgers.

Manager John Schwalbach has not yet indicated his pitching selection for today. It is Beck's turn for mound duty, however, as Fitzpatrick hurled last Sunday against Crystal Falls. If the rotation plan is revised, and Fitzpatrick selected for duty today, it will be because the left hander has not yet pitched against Channing and Beck, in turn, would be saved for Niagara. Fitzpatrick hurled against the Badgers at Niagara earlier on the season.

## Robinson's Double Helps Yanks Win

New York, July 3 (AP)—Aaron Robinson belted a two-run double in the ninth inning today to give the New York Yankees their second straight victory over the league leading Boston Red Sox by a 3-2 count and send a throng of 52,654 fans home happy.

The huge turnout boosted the Yankees' home attendance mark for 39 contests to 1,296,728, and established a new club record. The former seasonal high of 1,289,442 was set in 1920 when the Yanks played in the Polo Grounds. The major league mark of 1,485,166 set by the Chicago Cubs in 1929 is a cinch to be broken before long.

Robinson belted his game winning blow off Tex Hughson after Tommy Henrich and Charley Keller singled and Joe Di Maggio struck out and Nick Etten popped to Bobby Doerr.

## Boston Defeats Phillies, 7 to 1

Boston, July 3 (AP)—With Johnny Hopp and Billy Herman supplying most of the power and all but one of the runs, the Boston Braves defeated the cooled-off Phillies 7-1 tonight before a 33,681 crowd. Jim Tabor homered to cheat Johnny Sain out of a shutout as he collected his ninth win of the season.

## CUBS TROUNCE PIRATES TWICE

Take First Game, 4-3, And Second By 2-1 Score

Chicago, July 3 (AP)—The Chicago Cubs swept a double-header from the Pittsburgh Pirates today, 4-3 and 2-1, behind the brilliant pitching of Emil Kish and Paul Erickson, two unbeaten relief experts. Kish pitched four hitless innings in the opener after replacing Starter Hank Borowy to gain his No. 6 triumph.

Kush's decision was assured when Eddie Waikus' eighth inning double accounted for two runs against Al Gerheuser, the loser. Dominic Dallessandro's fourth inning triple scored both. Chicago runs off Starter Preacher Roe in the second game.

Erickson, making his first start of the season in the nightcap, assured his No. 5 victory against no defeats by stopping the Pirates on seven hits.

## St. Louis Partisans Wondering If Cards Have What It Takes

St. Louis, July 3 (AP)—Even the most faithful of St. Louis partisans are beginning to wonder if, after all the rosy predictions, the Cardinals have what it takes.

Boos sounded from various parts of Sportsman's park as the Redbirds—who were supposed to be winning their way toward the National League pennant about this time—suffered their fourth consecutive setback at the hands of the Cincinnati Reds last night.

That loss put the tumbling Cards 7½ games behind the high-flying Brooklyn Dodgers—and brought to mind the pre-season forecast by manager Eddie Dyer that "if we're no more than five games off the pace on July 4, we'll win the pennant for St. Louis."

The Cardinals' ailment is a hard one to put your finger on. Dyer and owner Sam Breadon probably would reward you handsomely for a correct diagnosis.

Some of the experts point to the fact that the Cardinal fadeaway dates from the Mexican league raid that left Breadon and company minus some \$150,000 worth of talent, including Max Lanier who was the league's leading pitcher at the time.

All are agreed that the failure of the highly-touted Redbird pitching staff to come through as expected is not helping Dyer's insomnia.

## Burkhart Pitches Cards To Victory

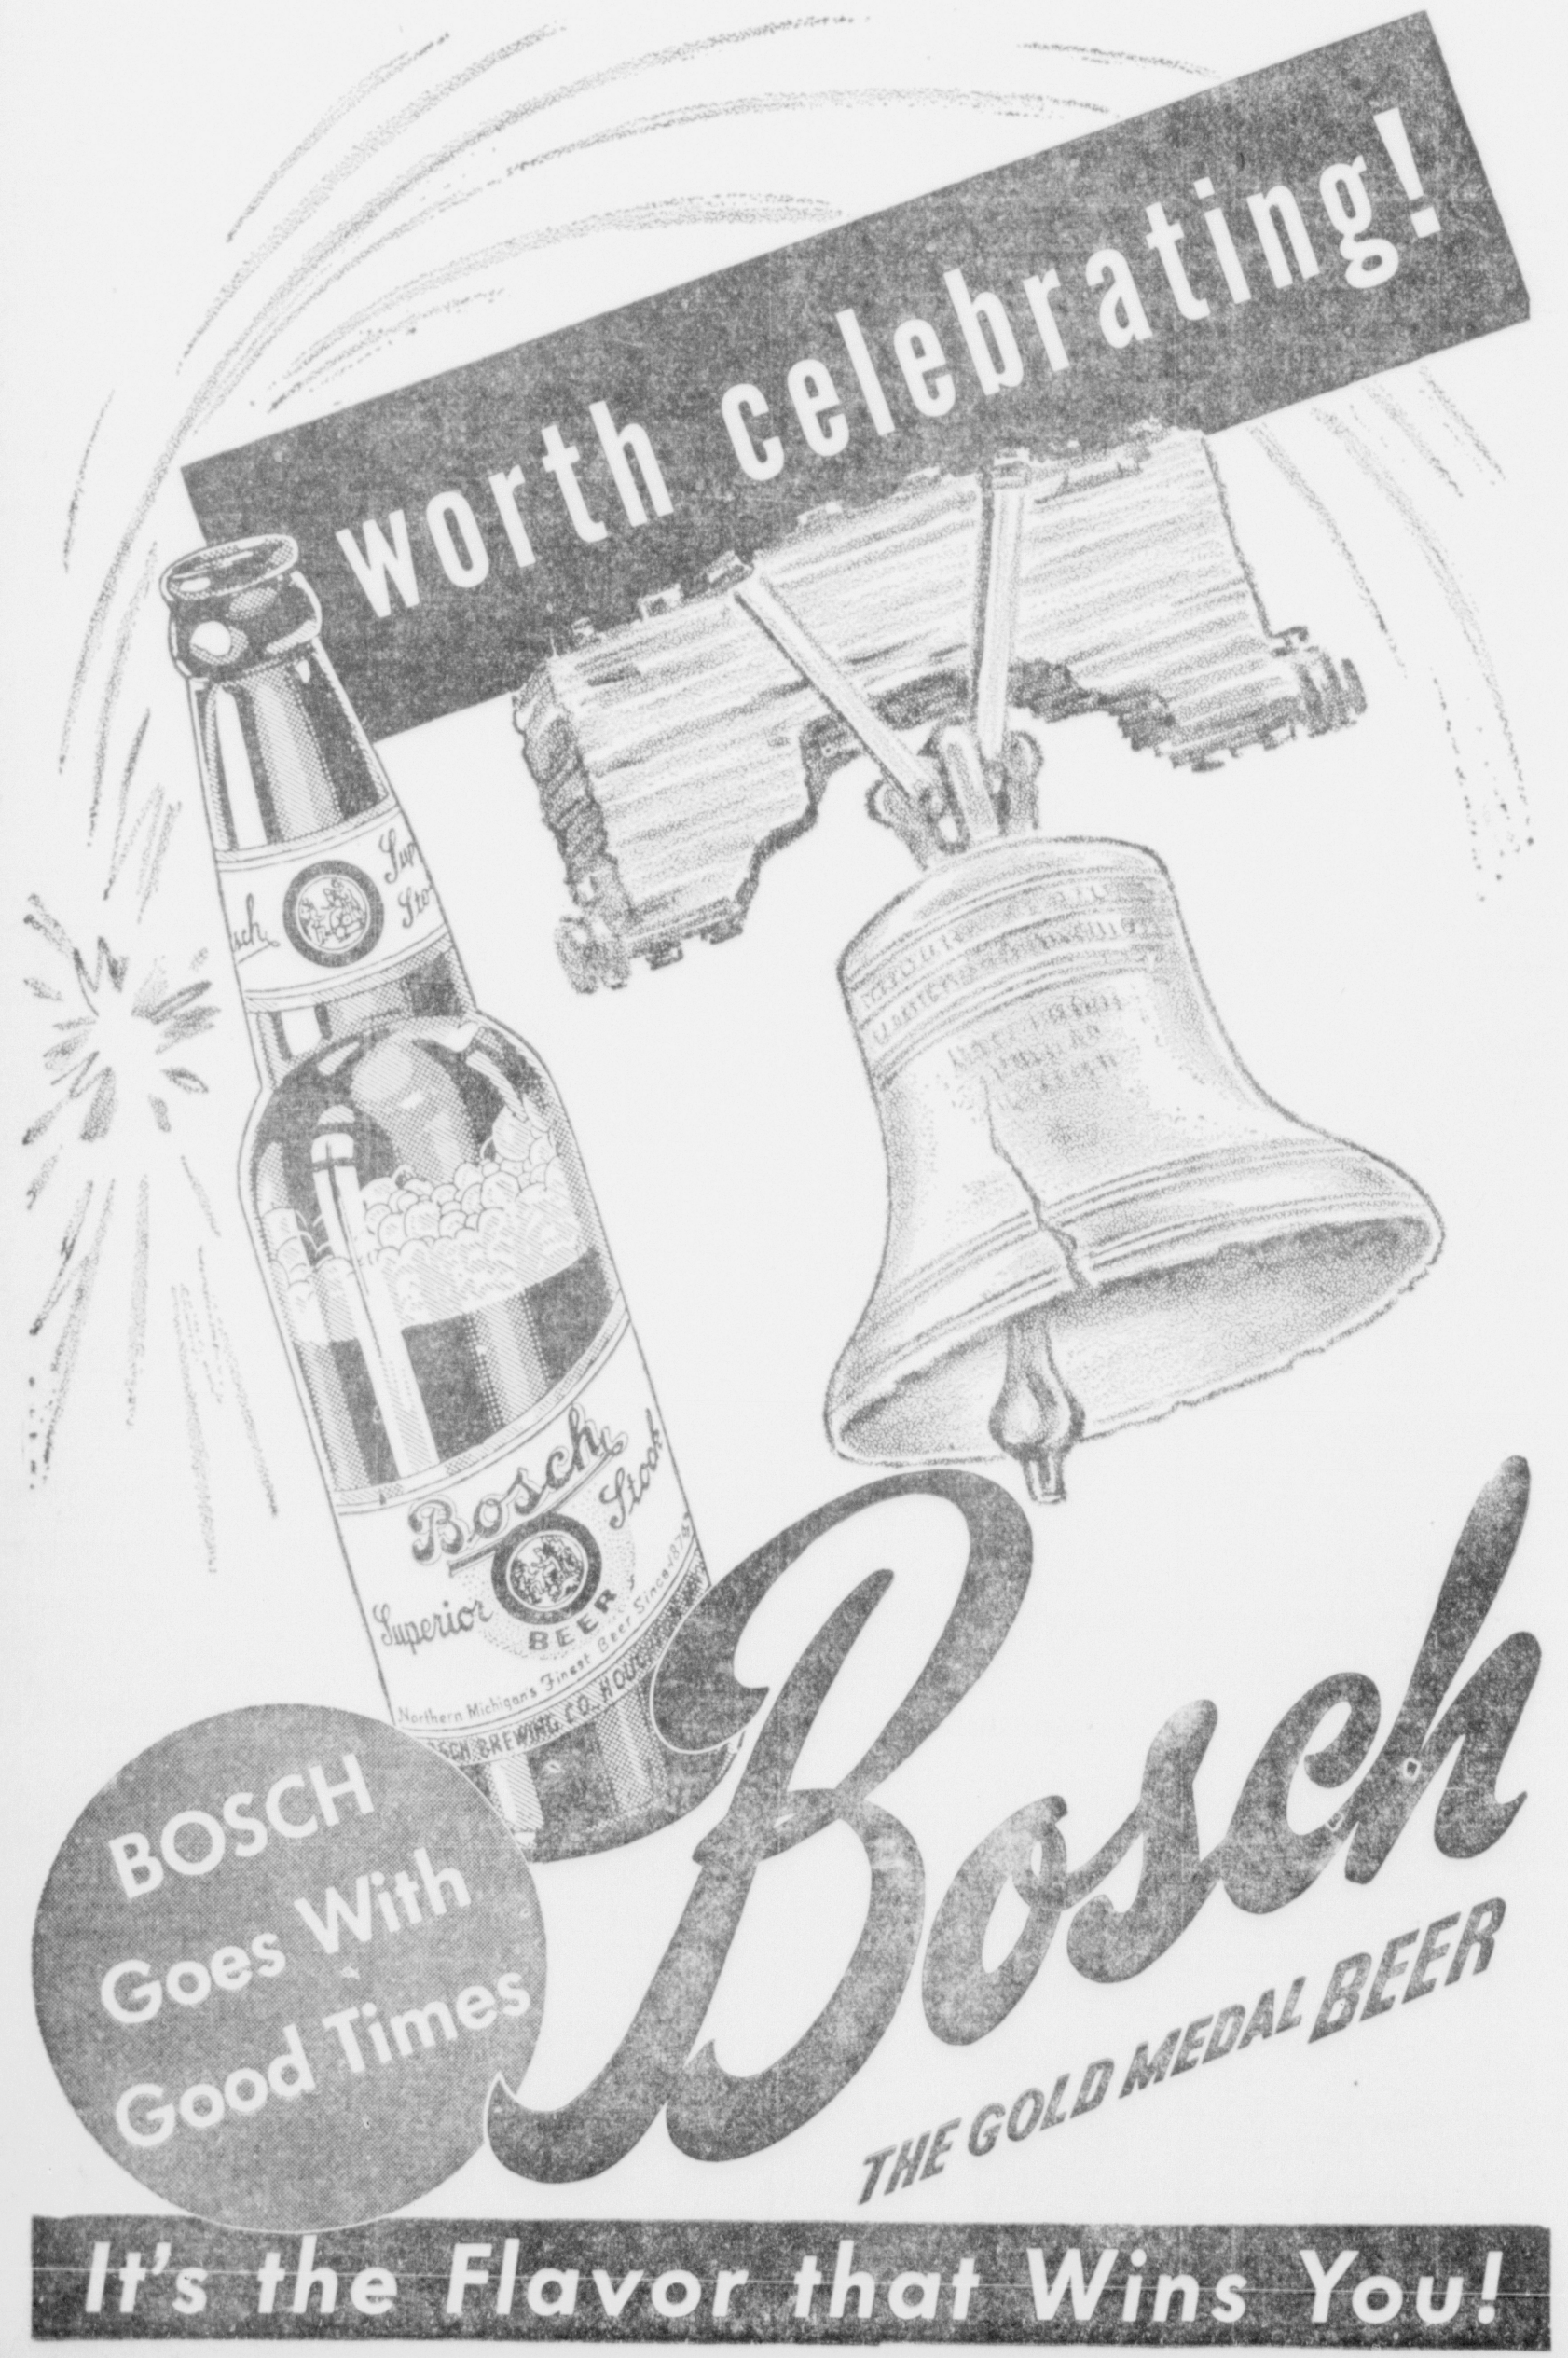

St. Louis, July 3 (P)—The St. Louis Cardinals recoiled from a four-game losing streak today with a 10-run fourth inning outburst against the Cincinnati Reds and went on to win 16 to 0 behind the steady pitching of Righthander Kenny Burkhardt.

Whitey Kurowski's eighth homer of the season with two mates on base climaxed the big fourth frame in which the Redbirds pounded Righthander Clayton Lambert and Howard Fox for eight blows good for 13 bases and had two bases on balls thrown in for good measure. Stan Musial and Enos Slaughter connected with two safeties apiece before the side could be retired.

**WILL ADDRESS MEETING**

Marquette—Roy H. Owsley, assistant director of the American Municipal association, Chicago, today was announced as dinner speaker for the Upper Peninsula division meeting of the Michigan Municipal league to be held here July 11-12.

Word that Owsley had been scheduled for the dinner meeting came to Mayor James J. Beckman from John H. Huss, Ann Arbor, director of the league. Owsley's subject will be "Looking Ahead."

## CARD OF THANKS

We wish to express our sincere ap-  
preciation and thanks to all the kind  
relatives, neighbors and friends who  
assisted us during our recent bereave-  
ment, the death of our beloved mother  
and grandmother, Johanna Lundberg.  
We are very grateful to the pallbear-

We wish to express our sincere ap-  
preciation and thanks to all the kind  
relatives, neighbors and friends who  
so kindly assisted us during our recent  
bereavement, the death of our beloved  
father, husband, son and brother. We  
are very grateful to the Rev. Fr. Neil  
Stehlin, Rev. Fr. Norbert Freiberger,  
Rev. Fr. Raymond Przytycki for their  
consoling words and other manifesta-  
tions of sympathy, to those who served  
as pallbearers, sent floral and spiritual  
bouquets, donated the use of their cars

Sad and sudden was the call  
Of one so dearly loved by all.  
A bitter grief, a shock severe,  
It was to part with another so dear.  
We often sit and think of you,  
And speak of how you died.  
To think you could not say good-bye,  
Before you closed your eyes.  
For all of us you did your best,  
Oh, God, grant you eternal rest.

## LOANS TO PLAY HERE TONIGHT

Iron Mountain Softball Leaders Featured Under Lights

The Liberty Loan softball team, leaders of the Civic league of Iron Mountain, will visit Escanaba tonight to play the local Liberty Loan at the lighted field in the feature game scheduled for 8:45.

After winning all their games by decisive scores, the victory streak was broken for the Iron Mountain club recently when the league-leaders suffered their first defeat in a 3 to 1 contest with Squinch's Bar. Squinch's used a hurler acquired from Norway, Casanova, who turned in a neat four-hit job to out-pitch "Boosh" Hiltonen who allowed seven well-bunched hits.

Incidentally, Squinch's Bar will be here Sunday night to play the local V.F.W.

"Boosh" Hiltonen will probably pitch for Iron Mountain but their catcher has not been announced. The local Loans will use Gereau or Eis on the mound with Anderson behind the plate.

In the preliminary scheduled for 7:30 the league-leading Bethany will meet the Flat Rock CYO in a non-league game. The battery for Bethany will be Monson and Mulvaney.

The K. of C asked to be excused from appearing because most of their team will be out of town and the CYO consented to take their place.

## Bob Feller Gets 10 Strikeouts And Beats Browns, 6-0

Cleveland, July 3 (P)—Blazing Bob Feller zoomed his strikeout total to 184 victims as he fanned 10 St. Louis Browns today while copping his 14th victory and sixth shutout for the Cleveland Indians.

## The Sports Parade

By Ken Gunderman

The all-star football game at Negaunee is past the will-it-or-won't-it stage and has developed to the point where the management is putting the ducts on the market. This means that the promoters are so certain that the event will be held as scheduled that they have already committed themselves to some financial obligations. It is indication enough that the fans can make plans to attend the first all-star football game ever conducted in the Upper Peninsula. The game will be played under the lights the night of August 17 at the Negaunee playground.

The feature match of the Munising boxing card this evening will be between George Dougherty, a Navy discharger, and Bob Read, the guy who challenged the winner of the Sharkey-Hubbard bout at the Escanaba show May 27. Although other matches on the Munising card will be exhibition affairs and no-decisions, this match will be for keeps and a winner will be returned. According to rumors reaching this corner, the boys have been saying some nasty things about each other.

The Escanaba Bears don't expect to be going to Channing today just for the ride. Bad luck has cursed the club on every road trip and the Bears figure this is the time for a new deal. They trimmed Channing here, 3 to 1, recently, and hope to make it two straight over the Railroaders. The Bears will catch up to the league schedule this afternoon after beating 6 to 0, before 8,592 fans.

Feller kept 16 Byrnie hits well scattered and hammered in two runs to seal the Tribe's third straight victory in the sixth frame when he singled with the bases loaded.

## TENNIS CLASS PLANNED HERE

Free Instructions Will Be Given At Local Courts

Free tennis instructions will be offered daily from four to five o'clock at the Ludington park and Royce park courts, it has been announced by the city recreation department. Adult groups may receive instructions in the evenings by appointment.

Don McKie will conduct tennis lessons at Ludington park courts and Ruth Goodreau will give instructions at Royce park.

The municipal courts are all in good condition and new nets have been installed.

The department also announced that a total of 65 youngsters from ages six to 15 have registered for swimming classes. Any boys or girls not registered may do so at the classes.

## Handicap Tourney At Highland Today

A handicap tournament for men will feature the Fourth of July program today at the Highland golf course. The tournament will be a nine-hole event and the tournament round may be played at any time in the day.

Sunday, July 7, the Oak Crest club of Norway will play an inter-city match with the Highland golfers at the Highland course.

## SOFTBALL

### FIRST PLACE TIE

DeGrand and Brisbane moved into a first-place tie with Corbett's Corner by defeating Hewett's Grocery yesterday afternoon at No. 2 diamond by a 13 to 3 score. The winning pitcher was McCarthy and Kasbom was his receiver. The battery for Hewett's was Valentine and St. Jacques.

### GAME CANCELLED

The Midget league game between Rose Park Store and DeGrand and Brisbane scheduled for Webster diamond at 2:00 in the afternoon has been cancelled and will be played at a later date. DeGrand and Brisbane can't play in the afternoon and Rose Park Store would be unable to play in the morning.

### CADET LEAGUE

Groos and Co. will play the Champs in a Cadet league game at Royce Park Friday night at 7:00 o'clock. West End plays Obergers at Ludington Park at the same time.

Groos and Co. won their first Cadet league game of the 1946 season when they edged out the West Enders at Webster playground Tuesday night by a 9 to 8 score. Going into the last half of the seventh inning trailing by one run the Groos led fielder, Charley Olson, hit a long home run to tie up the ball game.

Duane Lindsey followed with a line drive single to center. After taking second on a passed ball, he scored on a sharp hit to right field by Ray Oseen. Ray Menard pitched for West End with Tippee Legault receiving. The Groos and Co. battery was Ray Oseen and Jim Nyquist.

### CORBETT'S CORNER

Corbett's Corner garnered their second Midget league game yesterday afternoon as they trounced Rose Park 17 to 1 at Webster playground. Corbett's scored most of their runs in the early innings on numerous Rose Park errors. Ozimak and Martinac were the hitting stars for Corbett's while Howie Larson and Wally Finstrom played stellar games for Rose Park Store. The batteries were as follows:

Corbett's Corner: Bud Provo and Peter Kutchers.

Rose Park Store: Jack Courneene and Wally Finstrom.

### BOILERMAKERS WIN

The Boilermakers defeated the Hawks 10 to 6. They were sparked by home runs by DeGrand and Welman. Blake and Wellman handled the ball for the Boilermakers.

### WHITE BIRCH WIN

The White Birch defeated Verhammes by a score of 10 to 2 last night in the second game at the lighted field.

### GRANADA NIPS BUCK INN

Granada Garden won from Buck Inn, 7 to 4 in the first contest last night at the lighted field.

### KAYSEES BEAT ST JOE

The Kaysees tripped St. Joe, 11 to 1, last evening at the No. 1 diamond. Batteries were Courneene and Gafner for the Saints, LaCosse and Brown for the Knights.

### BETHANY'S WIN

The Bethany softball team defeated the Delta Transits, 3 to 1, at Ludington park last evening. Harry Monson, Bethany hurler, fanned 15 and allowed only two hits.

Score by innings:  
Bethany ..... 010 000 2-3 4 1  
Transits ..... 000 000 1-1 2 2

### GAME CANCELLED

The non-league Bethany - K. of C. game, scheduled for tonight, has been cancelled.

### LUDINGTON PARK WINS

Ludington Park Juniors defeated Royce Park Juniors today at Royce Park, 9-5.

Batteries—Lud. Park—Besson, Peterson and Papineau; Royce Park—Monson and Carlson, Paulson.

## 15TH WIN FOR HAL NEWHOUSER

Twirler Drives Winning Run In For Tigers In Tenth

Detroit, July 3 (P)—Ever-reliable Hal Newhouser, working a day ahead of his regular turn to get in another start this week before the major league All-Star game, hurled and batted the Detroit Tigers to a 2 to 1 decision over the Chicago White Sox in 10 innings today.

To achieve his 15th victory of the season, Newhouser had to drive home the winning run with a long two-bagger in the 10th that scored Catcher Paul Richards after he also had doubled.

Mizzell (Whitey) Platt homered in the second inning for the Sox and that was Chicago's only hit until Hal Trosky singled and Platt laid down a perfect bunt for a hit in the 10th.

## Two Seagull Races To Be Held Sunday

Because the Escanaba Yacht club's summer race program has been stymied by the weather and other factors, Stuart Fry of the EYC announced last night that a pair of elimination races in the seagull class will be held on Sunday afternoon.

Course for the races will be from the harbor entrance around the red can buoy, around a flag buoy off the front of the Stonington church and back, then the course will be reversed. A circuit of the course is 3 and three-fourths miles.

Starting times and other details of the races will be announced later.

## Locke Shoots Hot Golf In Tourney

St. Andrews, Scotland, July 3.—(P)—Bobby Locke, justifying his buildup as the hottest man in current British golf, blasted par by four strokes with a record-setting 69 today in the first round of the British open championship, but the rest of the field was right on his tail.

It was a great day for the form players. Only one stroke back of Locke were Veteran Henry Cotton, trying for his third open crown, and Norman Von Nida, the diminutive Australian who led the qualifiers.

## Local Boxers In Munising Matches

Escanaba boxers who will participate in the boxing exhibitions at Munising this evening will leave here at two o'clock this afternoon. Boxers are asked to meet at Dewey's station and will travel to Munising by automobile.

Weighing-in is scheduled for four o'clock at the Legion club in Munising.

## Detroit 'Silents' Play VFW Softball Team Here Friday

Local softball fans will be treated to an exhibition by a Detroit team when the "Silents" of the Auto City visit Escanaba Friday night to play the Veterans of Foreign Wars at the lighted field at 8:45 o'clock.

The "Silents" are composed of members of the Deaf Association of Detroit and are paced by Ray Wahowiak, former Gladstone star athlete. Wahowiak pitched brilliant ball in many games when he performed for Leloff's Tavern and Delta Chemical during the pre-war area. Ray featured a peculiar leg kick which he used with his fast ball to draw the batter's attention from the pellet and it proved very effective.

Louie Kositzke will be on the hill for the Vets and Dave Larson will handle the fast checking.

Wahowiak will pitch for the Silents but their catcher's name is not known.

The preliminary is a regular league game between Larnays and Flat Rock CYO. Brayak and Olson will form the Larnay battery while Leo Lancour and Harry Lancour will do the heavy work for Flat Rock.

## BEARS TRAVEL TO CHANNING

## Escanaba Ball Club In Holiday Game At Railroad Town

The Escanaba Bears baseball team will meet the Channing Railroaders in a NWM league game today at Channing. The local club will meet at DeGrand's corner at 9:30 o'clock and will travel to Channing by bus.

The Bears will play their next home game here Sunday afternoon, meeting the league leading Niagara Badgers.

Manager John Schwalbach has not yet indicated his pitching selection for today. It is Beck's turn for mound duty, however, as Fitzpatrick hurled last Sunday against Crystal Falls. If the rotation plan is revised, and Fitzpatrick selected for duty today, it will be because the left hander has not yet pitched against Channing and Beck, in turn, would be saved for Niagara. Fitzpatrick hurled against the Badgers at Niagara earlier on the season.

## Robinson's Double Helps Yanks Win

New York, July 3 (P)—Aaron Robinson belted a two-run double in the ninth inning today to give the New York Yankees their second straight victory over the league leading Boston Red Sox by a 3-2 count and send a throng of 52,654 fans home happy.

The huge turnout boosted the Yankees' home attendance mark for 39 contests to 1,296,723, and established a new club record. The former seasonal high of 1,289,442 was set in 1920 when the Yanks played in the Polo Grounds. The major league mark of 1,485,166 set by the Chicago Cubs in 1929 is a cinch to be broken before long.

Robinson belted his game winning blow off Tex Hughson after Tommy Henrich and Charley Keller singled and Joe Di Maggio struck out and Nick Etten popped to Bobby Doerr.

## Boston Defeats Phillies, 7 to 1

Boston, July 3 (P)—With Johnny Hopp and Billy Herman supplying most of the power and all but one of the runs, the Boston Braves defeated the cooled-off Phillies 7-1 tonight before a 33,681 crowd. Jim Tabor homered to cheat Johnny Sain out of a shutout as he collected his ninth win of the season.

## CUBS TROUNCE PIRATES TWICE

Take First Game, 4-3, And Second By 2-1 Score

Chicago, July 3 (P)—The Chicago Cubs swept a double-header from the Pittsburgh Pirates today, 4-3 and 2-1, behind the brilliant pitching of Emil Kuhn and Paul Erickson, two unbeaten relief experts. Kuhn pitched four hitless innings in the opener after replacing starter Hank Borowy to gain his No. 6 triumph.

Kuhn's decision was assured when Eddie Waikus' eighth inning double accounted for two runs against Al Gerheuser, the loser. Dominic Dalesandro's fourth inning triple scored both Chicago runs off starter Preacher Roe in the second game.

Erickson making his first start of the season in the nightcap, assured No. 5 victory against no defeats by stopping the Pirates on seven hits.

## St. Louis Cardinals Wondering If Cards Have What It Takes

St. Louis, July 3 (P)—Even the most faithful of St. Louis partisans are beginning to wonder if, after all the rosy predictions, the Cardinals have what it takes.

Boos sounded from various parts of Sportsman's park as the Redbirds—who were supposed to be winning their way toward the National League pennant about this time—suffered their fourth consecutive setback at the hands of the Cincinnati Reds last night.

That loss put the tumbling Cards 7½ games behind the high-flying Brooklyn Dodgers—and brought to mind the pre-season forecast by manager Eddie Dyer that "if we're no more than five games off the pace on July 4, we'll win the pennant for St. Louis."

The Cardinals' ailment is a hard one to put your finger on. Dyer and owner Sam Breadon probably would reward you handsomely for a correct diagnosis.

Some of the experts point to the fact that the Cardinal fadeaway dates from the Mexican league raid that left Breadon and company minus some \$150,000 worth of talent, including Max Lanier who was the league's leading pitcher at the time.

All are agreed that the failure of the highly-touted Redbird pitching staff to come through as expected is not helping Dyer's insomnia.

## Burkhart Pitches Cards To Victory

St. Louis, July 3 (P)—The St. Louis Cardinals recoiled from a four-game losing streak today with a 10-run fourth inning outburst against the Cincinnati Reds and went on to win 16 to 0 behind the steady pitching of Righthander Kenny Burkhardt.

Whitey Kurowski's eighth homer of the season with two mates on base climaxed the big fourth frame in which the Redbirds pounded Righthander Clayton Lambert and Howard Fox for eight blows good for 13 bases and had two bases on balls thrown in for good measure. Stan Musial and Enos Slaughter connected with two safeties apiece before the side could be retired.

**WILL ADDRESS MEETING**  
Marquette—Roy H. Owsley, assistant director of the American Municipal association, Chicago, today was announced as dinner speaker for the Upper Peninsula division meeting of the Michigan Municipal league to be held here July 11-12.

Word that Owsley had been scheduled for the dinner meeting came to Mayor James J. Beckman from John H. Hues, Ann Arbor, director of the league. Owsley's subject will be "Looking Ahead."

## MUNISING

### 5,000 People Are Expected To See Fights, Fireworks

Munising—A crowd of some 5,000 people is expected at the Munising city park Thursday night to view the fights and fireworks display. It was reported yesterday by Walter Corey, general chairman of arrangements for the Munising Fourth of July celebration.

The fights, which will begin at 7:00 o'clock, are expected to last two hours but may last longer, he said. Lights will be used to illuminate the ring, so darkness will not hamper the fighting card, entries for which were still coming in late yesterday afternoon. The fireworks will follow the fighting program.

All servicemen and ex-servicemen, regardless of whether or not they are affiliated with a veterans' organization, are asked to participate in the parade either in uniform or civilian clothes, Walter Corey, general chairman, announced yesterday.

The ring has been set up on the tennis courts at the park and there will be seating space for some 400 persons. The ring is elevated. Mr. Corey said, and everyone will have a pretty good view of the fights, wherever they may be standing at the park.

The roster of fighters from the various towns in the Upper Peninsula, who will come to Munising to participate on Thursday evening, included the following:

From Manistique: Pinkie Weber, 152 lbs.; Willard Anderson, 142 lbs.; Gene Mayer, 170 lbs.; Wayne Anderson, 120 lbs.; and Allan Schuster, 170 lbs.

From Escanaba: Young Goodnaugh, 135 lbs.; Ray Goodnaugh, 155 lbs.; and other fighters, the names of whom had not been received late Wednesday afternoon.

Iron Mountain has an entry by the name of LaCount who tips the scales at 135 lbs.

The local Munising entries are: Teddy Tiernan, 120 lbs.; Billy Tiernan, 160 lbs.; Bob Read, 155 lbs.; George Dougherty, 155 lbs.; Don Dougherty, 130 lbs., and Kelly, 170 lbs.

Buck Jackson of Manistique, a licensed referee, will be on hand at the Munising fights to officiate. Ken Gunderman, veteran Escanaba Daily Press sports writer, is also expected to be in Munising to cover the fights.

Over \$425 worth of fireworks will be displayed from both the Munising city dock and the Munising coal dock. Because of the great display it will be necessary to use both docks and set off some of the fireworks simultaneously.

James O'Boyle is chairman of the fireworks and will set off the various displays with the help of Otto Aho. The displays on both docks will be in plain view of the crowd, it was stated yesterday by Mr. Corey.

No one will be allowed on the city dock after nine o'clock, it was stated, in order to facilitate the setting off of the fireworks display. It is urged that the public co-operate with the fireworks committee by clearing the dock prior to 9:00 o'clock Thursday evening.

A large number of floats have already been reported entered in the 27 block parade, including

floats from Putvin's drug store, Atkinson's Motor Sales, two from the Munising Coal company and the Legion Auxiliary will also have a float.

### Mary Ann Bouche, William Bovan Wed In Ceremony July 2

At a ceremony performed by Rev. O. J. La Mothe, on Tuesday morning, July 2 at 8:00 o'clock, Miss Mary Ann Bouche, daughter of Mr. and Mrs. Alfred Bouche of Munising, became the bride of William Bovan, son of Mr. and Mrs. Albert Bovan, also of Munising.

Attendants were Miss Adeline Pawlowski, and Orpheus Bovan both of Munising.

The bride wore a white floor length taffeta gown, with a fitted bodice, and a white net over the skirt, with a finger tip veil. She carried a beautiful bouquet of red roses.

The bridesmaid wore a pink floor length gown with a corsage of white gladioli.

Following the ceremony, a wedding breakfast was served at the K. of C. hall. A wedding dinner was served at the home of the grooms' parents, followed by a reception and a dance at the K. of C. hall.

Both Mr. and Mrs. Bovan were employed at the Hoover Ball and Die Plant, at Ann Arbor.

Mr. Bovan was recently discharged from the Army, after serving four years part of which he saw duty in the South Pacific.

**Lt. Robert Putvin  
Receives Discharge**

Munising—First Lieutenant Robert Putvin, son of Mr. and Mrs. George Putvin, is home on holiday leave from Fort Sheridan, Ill., where he is awaiting his discharge from the army. He will return to Fort Sheridan for his separation from the armed forces which he expects to obtain Saturday or Monday.

Lt. Putvin, who landed at Seattle, Wash., on Friday, June 28, came from Tokyo, Japan, where he has been a member of General MacArthur's General Headquarters Staff. He was in the executive office of the adjutant general department.

Lt. Putvin, who will be promoted to the rank of Captain, on his separation, will receive his discharge upon completion of his terminal leave the latter part of August. He has been in the army for six and a half years spending the past nine months overseas in the Asiatic-Pacific theatre. He was stationed on the Philippine Islands before being transferred to Tokyo, Japan.

Lt. Putvin was stationed at Camp Perry, Ohio before going to the Command and General Staff school at Fort Leavenworth, Kansas from where he was assigned to General MacArthur's staff.

He wears the Asiatic-Pacific Japanese occupation, American theatre, American defense, good conduct and Philippines liberation ribbons.

POST OFFICES CLOSES

Munising—Postmaster Edward Genry announced yesterday that no window service for sale of stamps, money orders, etc., at the Munising post office will be available and no carrier or rural deliveries of mail will be made on Thursday, July 4. The lobby of the post office will be open from 8:00 a. m. to 6:00 p. m. however, for post office box service, he stated. Regular hours and service will be resumed on Friday, July 5.

### June Placements Is Highest For USES In Any Month Period

Munising—The Munising office, United States Employment Service, reported 196 referrals were made for the month of June, 20 of whom were handicapped and 111 World War II veterans. Local placements included 131 men and 11 women, 80 being World War II veterans. This is the highest number of placements made in any one month period since the local office was established.

The total number of people contacted in the USES office for the month was 1267, 144 being females.

### Charles Cook Was In Engineer Group Mentioned In Story

Munising—Charles R. Cook, son of Mr. and Mrs. Charles E. Cook, Fir Street, Munising, was a member of the 40th Engineer Combat Group, subject of a story in the Escanaba Daily Press Munising section on Sunday.

Mr. and Mrs. Cook reported that their son was killed in action in France in the fall of 1944 when a truck near which he was standing exploded.

He was a member of Company "D" of the Second Battalion, 40th Engineer Combat Group.

### Oliver Shampine Car Rolls Over But He Escapes Injury

Munising—Oliver Shampine escaped serious injury about 2:30 Wednesday morning when a coupe he was driving rolled over two or three times on highway M-28 about halfway between the town of Christmas and the Munising water department pumping station.

He was only slightly bruised and reported the accident to city police himself. There was no one riding with him. He told police he did not know what caused the car to roll but when he saw there was nothing to do but let it roll he cuffed himself up and waited until it stopped. The car was completely smashed.

### Bus To Take Girl Scouts To Timber Trail On Saturday

Munising—Girl Scouts of Munising, Negaunee and Ishpeming who do not have a means of transportation to the Timber Trail Girl Scout camp for the opening of the camping season on Saturday may ride out in the Munising bus it was announced yesterday.

The bus will leave at 2:40 o'clock Saturday afternoon from in front of the Munising cafe.

## IT COSTS NOTHING

—and it takes only a few seconds of your time to make sure that your wheels are not out of alignment and causing excessive tire wear. Take these few seconds tomorrow.

### The New Bear Wheel Aligner

All you do is drive your car across the aligner platform it comes in contact with sensitive blade that moves in a lateral direction. If the wheel is out of alignment and thus has a side drag or scuff action, it will move the blade in the direction of the scuff.

The amount of lateral movement of the blade is instantly recorded on the dial. You can see for yourself whether wheels need aligning. Likewise, should wheel alignment be necessary, you can check the completed job and be sure that it is correct.

### Drive In For Free Wheel Alignment Inspection

(It takes less than a minute of your time and may save you several dollars in tire repair or replacement.)
